

Obama's American Subversion –

How Much Time Do We Have Left?

The world has gone berserk. Never have world conditions been so out of control. Perilous days and gargantuan threats are rushing to an epic climax, as nations vie for position, and prepare for global military and economic conflict. Where are we heading? What does the future hold? How much time is left before the clock strikes twelve and Armageddon is at our door?

William F. Dankenbring

The eclipse of the sun signals danger to the nations and the Jewish Talmud records that total lunar moon eclipses are indicators or omens for the nation of Israel (God's chosen nation)." Israel relates to the moon (new moon months) and Gentile nations relate to the sun (sun worship).

The solar eclipse on March was followed by a blood red moon eclipse on Passover, April 5.

The next partial solar eclipse will occur over Northern Europe, Africa and Asia on September 13th which happens to be *Rosh Hashanah*. This will be followed by another lunar eclipse/blood moon which will occur on the Feast of Tabernacles, September 28, 2015. According to NASA, this total blood moon will be at perigee meaning it will be a super moon and seen in Jerusalem during the feast of Sukkot while the Jewish people will be dwelling outside their homes, in their sukkahs looking up toward the heavens.

This last biblical calendar new year also began a Shemitah year (7th year of a 7 year reoccurring cycle) for the land to rest. On the last two Shemitah years which ended on Elul 29, dire events were triggered. In 2001, there was global economic catastrophe as was pointed out by Jonathan Cahn in his book, *The Harbinger*. In 2001, on September 11, the Dow fell 7 percent. Then, seven years later, another Shemitah year, in 2008, Elul 29, the Dow fell another 7 percent.

Will the Shemitah year ending September 12, Elul 29, in 2015 also see an even greater economic upheaval and crash, bringing a third collapse of the stock market and a major collapse of the global economy?

We will soon see what happens on this third Shemitah year's conclusion.

Obama's Ambition

The American Thinker, February 10, 2015, declared, “In Washington speculation is rife that the end of the Obama years is only the beginning of a run for UN Secretary General, a job he can fiddle into real power, using leftist and Muslim regimes from around the world to support him. The only question left to answer in this situation is what the Global Elite wants Obama to do once his second term in the White House is over. No major leader serves any prominent role unless the Illuminati put him/her there. The Elite is the marionette and everyone below just follows the lead. The real question is what the Illuminati want Obama to do if he ascends to the top UN position.”

The *American Thinker* article by James Lewis, asserted, “President Obama is basically a Marxist, Third World variety, which means that he lives in the faith that some elite political minority can rule—first the United States and Europe and then the world! If Washington speculation is right that the end of the Obama years is only the beginning of a run for the UN Secretary General a job he can fiddle into real power using leftist and Muslim regimes around the world. Obama’s ambition runs his mind and his life. He can’t face the end of power.”

“After watching the man for almost a decade, this is the only ambition that makes sense of his actions. It explains his consistent favoritism for Muslims no matter how radical or violent. It explains his surrender to Iran’s nukes, and his constant collusion with the Muslim Brotherhood, now in active civil war with Egypt’s President El Sisi. It explains his comfort with the medieval war theology of Islam, which is also a world-conquering faith.”

These facts seem to explain why Obama does not seem to be really serious about destroying ISIS in the Middle East, and why he overthrew the government of Kaddafi in Libya to install the Muslim Brotherhood in power, which is now degenerated into a free-for-all hotbed of sedition and strife, featuring both Al-Qaida and ISIS.

Obama has been busy making friends around the world. Saudi Arabia has been a supporter, though now they are worried about his overtures to their bitter enemy, Shiite dominated Iran.

It is clear from all the evidence that Obama is pro-Muslim and anti-Israel. His dickering with Iran over a nuclear treaty will pave the way to enable Iran to have and produce its own nuclear weapons, to the consternation of Israel and Prime Minister Netanyahu.

Obama is positioning himself to become the Secretary General of the United Nations. When his term as president ends, will he become the UN’s new Secretary General, and the defacto head of the New World Order?

Says *The Thinker*, “Like all grandiose narcissists with uncontrollable ambitions, Obama figures he can somehow role all the internecine warfare between Shiites and Sunnis, between Persians and Arabs, Turks and Kurds, Copts and Salafists, and finally

get all ‘*the fifty-seven states*’. Fifty-seven is the number of Muslim states in the *Organization of Islamic Cooperation* (OIC) which has a permanent Observer mission to the UN in New York. Obama want to get them behind him as a messianic UN Secretary General.”

James Lewis adds that the UN General Assembly, and Europe will vote for him because the Left runs the EU with an iron hand. The U.S. will vote for him. South America will vote for him in the expectation of “redistribution” of wealth from developed nations (of the world). Israel is the only nation that stands in the way of Obama’s grandiose ambition—at least in his mind.

Obama and Jarrett are a classic “*folie a deux*,” a two-person cult – started the surrender to Iran at the start of this administration, while lying endless times about never permitting the mullahs to have nuclear weapons. But since 1979 the mullahs have been screaming every single day “Death to Israel! Death to America!”

Liberals and so-called “Progressives” are cursed with a delusional inability to believe such threats, no matter how serious they are. Hitler made such threats. Lenin and Stalin did. Iran preaches a genocidal war theology. But history has no impact on liberal minds. Realists understand these world-endangering threats all too well.

Netanyahu and Israel

Obama is setting the stage for the first major clash in the 66 year-old history with the U.S. and our ally, Israel in the Middle East. Obama himself is setting the stage for a historic and painful showdown—not with Iran, not with our enemy ISIS, but our best friend and ally. The U.S. president had turned his back on Prime Minister Netanyahu, refusing to meet with Netanyahu while he is in Washington, bogusly citing his policy against meeting with foreign leaders close to their elections.

Obama has personally abused and threatened Benjamin Netanyahu from the beginning of this administration. It hasn’t worked. Netanyahu is a man of conviction, and he’s faced tougher enemies on the battlefield than the biggest narcissist in the world. We are seeing an unstoppable force gathering steam against an immovable object. That is the real nature of today’s argument about Netanyahu’s desire to speak to the U.S. Congress, and Obama’s rage against any opposition to his nuclear surrender. Netanyahu saw his chance to talk to Congress and the American people as the last chance to stop suicidal appeasement to a fanatical regime that preaches suicidal warfare against its theological enemies.

Obama, however, is bound and determined to surrender to Iranian nukes, because that will give him the power to force Israel’s hand. The Iranian Crescent now surrounds Israel, and it directly threatens Egypt and Saudi Arabia as well. Obama’s every action has been designed to weaken Israel’s sovereignty, in collusion with the European Left, which just recognized Hamas as having standing at the European court in Geneva.

Netanyahu was unable to convince Congress and the American people that surrender to Iran is suicidal. He was unable to stop Obama's appeasement express. He had to take the chance of infuriating Obama, because the alternative is the risk of genocide for his people (and the world itself). But Obama is marching to a different drummer.

A Divine Warning

The apostle Paul wrote to the Thessalonians, "Brethren, concerning the coming of our Lord Jesus Christ and our gathering together to Him, we ask you, not to be soon shaken in mind or troubled, either by spirit or by word or by letter, as if from us, as though the day of Christ had come.

"Let no one deceive you by any means; for that Day [the rapture] will not come *unless the falling away (apostasy) comes first, and the man of sin is revealed, the son of perdition*, who opposes and exalts himself above all that is called God or that is worshiped, so that he sits as God in the temple of God, showing himself that he is God." (2 Thessalonians 2:1-4).

The apostasy comes first, before the man of sin has to rise up before the coming of Christ, *before the rapture*. All those pre-tribulation "rapture" teachers today who say that the saints are going to be "raptured" to heaven and miss the plagues and antichrist, have it all backwards.

The rapture occurs when Christ returns with his hosts of angels to gather his elect from the four corners of the earth at the second coming—that is the rapture.

Notice what verse 4 says about the revelation of the man of sin (son of perdition), "who opposes and exalts himself above all that is called God or that is worshiped, so that he sits as God in the temple of God, showing himself that he is God."

The working of lawlessness under divine restraint had already begun in the apostle's time and has been expanding throughout the Church Age. The key is in verses 6-7—"And now you know what is restraining (taken out of the way), that he may be revealed in his own time. For the mystery of lawlessness is already at work; only *he who now restrains* will do so until he is taken out of the way."

There are various views as to the identity of the restraining influence. Many preachers over the centuries have said it was the Holy Spirit. The use of the masculine pronoun "he" indicates that it is a person. So this has to be an opposing force, in opposition to the man of sin and his plans to unite the world under himself.

What is hindering or holding back the birth of the New World Order? Israel's leader, Prime Minister Netanyahu is actively and diametrically opposed to President Obama's consistent plan to side with the Muslims. On July 2, 2014 when active bombing was occurring between Israel and the Hamas, President Obama phoned Prime Minister

Netanyahu and basically said Israel had to lose and withdraw to the pre 1966 borders with immediate unconditional cease-fire and allow open borders for Hamas which would threaten the security of Israel's survival. Israel and its leader are standing in the way. Could he and Israel be the "restraining one"?

The Obama Roots

Farsi-speaking Valerie Jarrett, the senior advisor to Obama, his right-hand woman was born in Iran. She also has ties with terrorist William Ayers, and her father-in-law, Vernon Jarrett is a card-carrying communist party member and associate of Frank Marshall Davis, the controversial Communist Party activist who was Obama's childhood mentor.

Davis is mentioned many times in Obama's autobiography. Obama's senior advisor/campaign manager David Axelrod also has family roots in the Communist party. His parents were Communists," according to former Saturday Night Live comedian and actress Victoria Jackson, who now hosts a conservative talk show and researched what she calls "the real Obama White House."

Valerie Jarrett said at Stanford University in 1977: "I am an Iranian by birth and of my Islamic faith. I am also an American citizen and I seek to help change America to be a more Islamic country. My faith guides me and I feel like it is going well in the transition of using freedom of religion in America against itself."

The following is written by David Stansfield an Arabic scholar trained at the universities of Durham, Cambridge, the Sorbonne and Toronto, who has lived in many parts of the Arab world: "If you don't know the Arabic language, it is impossible to understand what is really going on in the listener's mind when an Arab leader addresses his people, what levels and depths of meaning and feeling are being plumbed. No translation can get close. It's not like going from German to English, or even from Hindi to English. In every sense of the word, Arabic is a different script that tells a different story. The Islamic extremists known as ISIS are a great deal more dangerous than most of us realize. The reason for this is hidden in plain sight in the name itself: ISIS. In English, this stands for Islamic State in Iraq and Syria, but that's not what it stands for in Arabic: *ad-Dawlat al-Islamiyya fi'l-'Iraq wa 'sh-Sham*: The Islamic State in Iraq and Ash-Sham.

"The crucial difference is the word *Sham*, a word that resonates in the Arabic-speaker's mind on multiple levels, but Syria does not. One thing that it does NOT mean is the truncated Syria that was created by the French in 1922. Sham means the 'North,' the 'Greater Syria' that encompasses not only Cyprus and part of southern Turkey, but also the artificial states the British and the French carved out of the Ottoman Empire after World War One: Iraq, Syria, Lebanon, Transjordan, Palestine – and subsequently Israel.

"For most of the last three thousand years, all these regions were one, not only under the empires of the Ottomans, the Caliphs, the Byzantines, the Romans, the Greeks and the Persians, but also under the ASYRIANS, and even more ancient civilizations

before that, dating all the way back to 2,500 B.C. Sham's roots run very deep – and very dangerously – indeed.”

The Truth about “Moderate” Muslims

There is really is no such thing as a “moderate” Muslim.

Fahad Qureshi (*CNSnews.com*, Feb.3, 2015), who founded *Islam Net* and is considered an Islamic leader in Norway, told a large group of Sunni Muslims that, *contrary to media claims* that it is only “radicals” and “extremists” who support barbaric punishments for those who violate sharia, *regular* Muslims support such things, including the “death penalty for homosexuals” and “stoning for adultery.”

“I always try to tell the media that it is not that speaker that we are inviting who has these ‘extreme radical views,’ as you say. These are general views that every Muslim actually has. *Every Muslim believes in these things*. Just because they are not telling you about it or just because they are not out there in the media, doesn't mean that they don't believe in them.”

Does the current president of the United States openly embrace Islam?

In fact he is quite concerned with slandering the Prophet of Islam as he made clear before the United Nations. Obama is hesitant to use the words “Islamic terrorists” and is appeasing Islamic terrorists and giving in to the nuclear demands of the terrorist state Iran. His recent obscured remarks at the national Prayer Breakfast were not said in reference to “terrible deeds” in the name of “Islam.” Instead in every place where the word “Islam” might have been expected, the word “religion” was substituted.

When mention of the Islamic inspiration of terrorists becomes truly inescapable, the Obama administration spokespersons will emphatically insist that their actions do not represent the true Islam. Obama says the Muslims are our friends.

Is this just another deception?

The following quotes are from the Quran and reveal the true Islamic beliefs.

Quran 5:51— “O you who believe, do not take the Jews and the Christians for friends.”

Quran 5:80 –“Those Muslims who befriend unbelievers will abide in hell.”

Even family members are not to be taken as friends if they take pleasure in disbelief rather than faith (do not accept Islam).

Quran 9:23—“This is the mildest interpretation of this verse from the 9th Sura, which also advocates ‘slaying the unbeliever wherever ye find them.’”

The following is the motto of the Muslim Brotherhood, which was founded in Egypt (1928) as a vehicle to establish a worldwide Islamic empire governed by Shariah

law. “God is our Goal. The prophet is our leader. The *Quran* is our constitution. Jihad is our way. Death in the service of God is the loftiest of our wishes.”

A prominent Muslim leader in the United Kingdom with links to the Muslim Brotherhood estimates that half of the mosques in the West were founded by Brotherhood members. The brotherhood presents itself as moderate, but it supports violent jihad and is the parent organization of Hamas.

Muslims in High Places

Did you know our government in America is largely Muslim? John Brennan, current head of the CIA converted to Islam while stationed in Saudi Arabia and took his oath on a copy of the Constitution not a Bible.

Congressman, Keith Ellison took his oath on a copy of the Quran.

Obama’s top advisor, Valerie Jarrett, is a Muslim who was born in Iran where her parents still live. Senior Advisor and Assistant to the President for Public Engagement and Intergovernmental Affairs – Valerie Jarrett is involved with vetting all the extremists Obama has appointed and thus, has to be an extremist as well.

For example, she was aware that former Green Czar Van Jones (who withdrew) had a long history of involvement in Communist Party causes, but still said she was “delighted to be able to recruit him into the White House.”

She had to have known, because she married into a family with a pedigree of Communist Party involvement. Her father-in-law, Vernon Jarrett, worked closely with Obama mentor and Communist Party leader Frank Marshall Davis in a number of Communist Party front groups during the Cold War years. Valerie married Vernon’s son in 1983 and later became chief of staff for Mayor Richard Daley, where she was a key player in perhaps America’s most corrupt big city political machine. Obama does not go forward with anything without her counsel.

Hillary Clinton’s top advisor, Huma Abedin is a Muslim, whose mother and brother are involved in the now outlawed Muslim Brotherhood in Egypt. Assistant Secretary for Policy Development for Homeland Security, Arif Aikhan, is a Muslim. Homeland Security Advisor Mohammed Elibiyari is a Muslim.

Obama advisor Salam al-Marayati is founder of the Muslim Public Affairs Council and a Muslim. Sharia Czar, Imam Mohamed Migid, of the Islamic Society of North America is a Muslim. Eboo Patel, Advisory Council on Faith-Based Neighborhood Partnerships, is Muslim.

Interestingly, when Obama took the oath of office when he was sworn in, for his second term, he didn’t repeat the oath properly to defend our nation and our Constitution. Later the Democrats claimed he was given the oath again “in private” which is questionable. Was it on the Bible?

There is a myriad of normal questions asked about Obama which remain unanswered—birth certificate, natural born American citizenship. Despite legal efforts to obtain the truth, his records remain sealed from public view and the mystery continues.

Terrorism and Tyranny

Personal Liberty reports, “Terrorism and tyranny are working hand in hand in America which shows that the ISIS fundamentalists we are now supposed to be fighting in the Middle East received their covert funding and training from the American CIA and the Saudi Arabian government along with other western intelligence agencies” (1-14-15).

“Globalist middlemen like John McCain and ‘former’ CIA goons like General Paul Valley have met directly with groups like the Nusra Front that are providing support for ISIS. Saudi Arabia has been openly funneling cash and arms to Syrian terrorist factions tied to ISIS. Now politicians are shifting their language to the term ‘extremism,’ which is far broader in its implications. It should be noted that while the terrorist label has been bandied about rather liberally by both the Bush and Obama administrations, ‘extremism’ offers greater cover for governments to persecute or attack political opponents.”

The word terrorist is avoided, because they do not want to call it what it is. “An extremist could literally be anyone who holds views or initiates activism outside acceptable forms of mainstream thought.”

It is disturbing to witness the lack of conviction that most Americans evidence today. People lack the conviction of their morality and a conviction that God’s word is truth and his law is for us today. Unless we want to suffer the ultimate penalty, we dare not compromise with God.

Admiral “Ace” Lyons, a 4-Star Admiral, makes the following stunning claim: “4 Star General Admiral Lyons, who was in charge of the largest single military command in the world, slammed Barack Obama, and warned Congress that the *Muslim Brotherhood has infiltrated every U.S. National Security Agency under Obama’s administration.*”

This was said just days before Obama would invite more than a dozen Muslim Brotherhood leaders to a private press-banned meeting in the White House. “Lyons, the father of Red Cell- the Navy’s anti-terrorism units”— said that ‘the transformation of America has been in full swing ever since 2008, the year Obama was elected president — based upon his campaign promise to fundamentally transform America’” (*Top Right News* by Brian Hayes).

“No question we’ve got a (tremendous) job ahead of us with the Muslim Brotherhood penetration in every one of our national security agencies, including all our intelligence agencies. Our leading intelligence agency is headed by a Muslim convert (CIA Director John Brennan, long rumored to have converted to Islam in the 1990’s in Baghdad).

“Admiral Lyons asserted that there is no such thing as radical Islam, but that *‘Islam is Islam.’ The threat is Islam.*”

Make no mistake about it. These Muslims in our government administration have not been vetted (investigated properly) regarding their loyalty to the United States.

Louisiana Governor Bobby Jindal had the best reply to Obama's *history lecture* at the national Prayer Breakfast: "We will be happy to keep an eye out for runaway Christians, but it would be nice if he would face the reality of the situation today. The Medieval Christian threat is under control, Mr. President. Please deal with the Radical Islamic threat today."

After these remarks, Bobby Jindal was accused of being an extremist, a fanatic and a radical.

The Jews today are much like Mordecai and Queen Esther in ancient Persia facing the threats and plots of wicked Haman. Haman recognized and took advantage of a nation that was sleeping. The Jewish people had been assimilated and felt confident and secure going about business as usual, eyes closed and unaware to what was happening around them. They didn't take threats seriously and saw no dangers and were lulled into a sense of false security. Then suddenly Haman won the favor of king Xerxes to destroy all the Jews. Total destruction threatened.

So it is, today. Iran threatens Israel. Obama himself threatens Israel. Where will it all end? Most of the Jewish people in the United States are oblivious to the dangers posed to them. They, like their ancestors, are "asleep" and have their eyes closed, lulled into a false sense of security.

The Muslim Takeover

Says the *American Thinker*, Obama's entire administration has been a promotion of Islam at home and abroad, and just cataloging the evidence would fill a book. He has made this country cozy for Islam, from ordering NASA to make Muslims feel good about them-selves to calling ISIS beheading victim Kassig by the Muslim name that he had adopted in the vain hope of saving his life. If only Obama's coziness were limited to such gestures but from the very beginning of his administration, he labored to topple the strongman governments that kept a lid on Islamic extremism: Tunisia, Egypt, Libya, and Yemen."

"Overthrowing the Syrian government was also part of the program, not achieved yet, but still possible. The methodology of each was a tactic from old-school radicalism: stir up domestic trouble that triggers a crackdown; then, use the reaction to discredit the government and as a pretext for stirring up greater cycles of trouble until the targeted regime is replaced. Obama is comfortable with Islam's extreme. He arms such people throughout the Middle East. He has let them into our government. He supported the Muslim Brotherhood's Muhammad Morsi as the replacement for Hosni Mubarak, a staunch US ally and enemy of the Muslim Brotherhood, and threatened and bullied Egypt when a massive revolt replaced Morsi with a religious moderate."

"The thread of all of these efforts was the reestablishment of the Islamic caliphate, the line of successors of Muhammad that ended nearly a century ago with the collapse of

the Ottoman Empire. This has always been a Muslim Brotherhood objective. The caliphate was resurrected last year, only it is not in the hands of the Muslim Brotherhood – not yet anyway. However it came about the caliphate was Obama’s creation, and he has only half-heartedly pushed back against it. Now he has asked the U.S. Congress for authorization for use of military force against what he created. What is Obama up to with this?”

A New Look at Barack Obama

Says *American Thinker*, “There is nothing in Obama’s head that is American. He is an antithetical American, a polar opposite of its values that he is routinely undermining. He is an unabashed member of the trans-tribal super-tribe that Muhammad created 1,400 years ago; and it is evidence that America has been had.” (*American Thinker*, Feb.18, 2015).

This explains why President Obama was negative toward Prime Minister Netanyahu and refused to even talk to him when he came to speak before Congress. But he invites and extends himself to Hamas and the Muslim Brotherhood, speaks to Iran and is working on making a treaty with Iran – a bitter enemy of Israel.

Obama is up to something. Even though Israel is the only democracy in the Middle East and the closest ally we have in the region, Obama is doing everything he can to show that he is opposed to supporting Netanyahu and the Israeli government—the nation that is being directly endangered by threats of genocide.

The prophet Daniel declared, “And in the latter time of their kingdom, when the transgressors are come to the full, a king of fierce countenance, and understanding dark sentences, shall stand up. And his power shall be mighty, but not by his own power: and he shall destroy wonderfully, and shall prosper, and practice, and shall destroy the mighty and the holy people. And through his policy also he shall cause craft to prosper in his hand; and he shall magnify himself in his heart, and by peace shall destroy many: he shall also stand up against the Prince of princes; but he shall be broken without hand. And the vision of the evening and the morning which was told is true: wherefore shut thou up the vision; for it shall be for many days” (Daniel 8:23-26).

Seeking More Power

Talking about his last two years in office, Obama enters what he calls, “the fourth quarter of his presidency.”

Unencumbered by future elections or the need to please anyone beyond his far-left base, he states “interesting stuff happens in the fourth quarter.” Indeed. Having recently legalized 5 million illegal aliens by executive fiat – a move almost universally acknowledged as flagrantly unconstitutional – Obama is clearly signaling his intention to make as many similarly audacious power plays as possible over the next two years, all the while challenging Congress and the American people to “*stop me if you can!*”

Who is left to stand in his way and the potential antichrist? Elected by a host of leftists and low-information voters according to many observers and politicians on the scene, “Obama is essentially untethered to reality. He declared 2014 as a ‘breakthrough year’ for America.

Boasting of more jobs, more people insured, a growing economy, shrinking deficits, bustling industry, booming energy,” he concluded: “Take any metric that you want. America’s resurgence is real. We are better off.” How about it? The truth is quite the opposite. “With an astonishing 92 million Americans now out of the workforce, the labor participation rate under Obama is at its lowest since the Carter “malaise” of 1978.

Obamacare is causing the slow, agonizing death of the American healthcare system; the national debt is in outer space. America at home is being overrun with illegal aliens, and abroad is ridiculed by enemies and mistrusted by friends, and a recent Washington Post-ABC News poll revealed that only 22 percent of Americans – 1 in 5 – believe they’re “better off” under Obama. America is being ridiculed by its enemies and mistrusted by its friends.

The real question is what is Obama up to in the next two years of his second term?

What does he mean by “*interesting stuff happens in the fourth quarter*” that is going to excite and energize him? His own words create a profile of a stealth Muslim who has infiltrated the office of the presidency of the United States.

Obama’s Real Agenda

What is our President’s real agenda?

Beginning in January 2014, 60,000 illegal immigrants of unaccompanied minor Children and big groups of families from Central America poured over our southern border coming up through Mexico, invited by Obama. The number is expected to more than double to 130,00 in 2015.

The last fifteen years our country’s borders have been kept wide open and immigration laws suspended. Thousands of Islamic Muslims have been imported from “war zones” of Iraq, Syria, and Somalia.

Obama is in the process of radicalizing America and bringing to America the same violent and radicalized ideology that has led to intolerance, crisis and terror attacks in Europe and the Middle East.

We are in denial of who our enemy is. Obama says Prime Minister Netanyahu is our enemy and Israel is not to be trusted. When Netanyahu came to address our U.S. Congress as invited by the Speaker of the House in March, Vice-President Biden said that he would not attend, and he didn’t. With Obama and his cohorts in the White House, suddenly our enemies have become our “friends”, and our cherished friends have become our “enemies,” including the only true democracy in the Middle East, Israel.

The Legacy of Haman

As a historical footnote to the present, it is interesting that King Xerxes came to power in Persia in 485 BC. A Biblical Jubilee year is every fifty years (Leviticus 25). Counting fifty Jubilee years (50×50) = 2,500 years.

Counting 2,500 years from 485 BC when Xerxes began his reign as full king of the Persian Empire, brings you to the year 2015 AD – this present year.

Strikingly enough, history is repeating itself. Iran is modern day Persia. It is close to achieving nuclear warfare power to enable it to potentially wipe out Israel.

In the days of ancient Xerxes, Haman, his prime minister, sought to annihilate the Jewish race. Modern Iran/Persia shares the same goal.

Haman was “the son of Hammedatha the Agagite” (Esther 3:1). Hammedatha means “he who troubles the law.” Agagite means “given by the moon,” possibly an allusion to Allah the “moon god.” Islam’s main symbol is the crescent moon. These considerations impel me to think of Obama – a lover of Islam and one who “troubles the law,” defying the Constitution, and ruling by imperial edict his own White House fatwahs.

One of the traditions of Purim is to wear a mask. Even so, Obama has masked his own secret identity, wearing the mask of a benevolent ruler seeking only to help the poor and redistribute the wealth, while remaining silent on or even encouraging race riots, as cities go up in flames.

On Adar 13 on the fixed Jewish calendar, Israeli Prime Minister Benjamin Netanyahu spoke to the U.S. Congress (March 3) about the new Persian Empire, Iran, who seeks to conquer the world and destroy the state of Israel and the United States.

The Feast of Purim and Netanyahu’s speech converged in the same week, occurring on the Hebrew calendar Adar 12 on the biblical Fast of Esther. Is the biblical story of Esther replaying thousands of years later? Esther asked for prayer and fasting as she was about to approach the ruler of the ancient world, her Persian husband and king, to plead for the lives of her people.

Today, Persia, now called Iran, once again stands at the center of an alleged murderous plot. Iranian mullahs are accused of plotting an apocalyptic dream of destroying Israel off the map and being aided in the process by the soon realization of a goal more than 20 years in the making—obtaining a nuclear arsenal without any restraint.

The present Iranian government has made it entirely clear that it is one of the greatest enemies to the U.S., to Israel, and our closest allies. Yet Barack Obama, like Neville Chamberlain in 1939, claims his treaty with Iran will bring “peace in our time.” What hogwash and balderdash!

Is Obama himself a modern day “Haman”? Does he also seek the destruction of Israel – like his Muslim friends?

The Obama Profile

September 2011 Obama effectively laid out his reelection campaign telling supporters at a California fund-raiser, “Don’t call me the Almighty, call me the alternative.”

Well, let’s do it!

What is the alternative to the Almighty? It is God’s adversary, Satan the devil. So, is Obama really the spiritual “son” of Satan, the son of perdition—lawlessness?

Without a doubt, he is the most lawless, arrogant president America has ever had, which speaks a great volume.

When Obama was approached by Morgan Freeman at a fund raiser, Obama said, “This guy was president before I was,” referring to Freeman’s role as president in the movie “Deep Impact.” Next, he said, “This guy was God before I was”—referring to Freeman’s role in the movie, “Bruce Almighty”.

Can you imagine that? How modest of Obama who might himself one day stand in the temple of God and claim to be “God.”

Does Obama harbor a secret desire on becoming deified as a “God” or divine “Messiah” and “Savior”? Will he someday proclaim himself to be a “God”?

Many of Obama’s worshipers already seem to confer on him the status of deity. Louis Farrakhan referred to him as the “Messiah.” Oprah Winfrey declared, “He is the One. He will help us evolve.” Movie director Spike Lee has referred to him as “Black Jesus,” and “the Savior.” He exclaimed, “Time shall be measured Before Barack and After Barack.”

Actor Jamie Fox at an awards ceremony called Barack Obama “our Lord and Savior.” Hardball’s Chris Matthews said “Obama is writing the New Testament.”

Have these plaudits and accolades already gone to Obama’s head?

In October 2008 (always in jest of course) Obama said in a debate with John McCain, when they were running for the office of president, “Contrary to the rumors you have heard, I was not born in a manger. I was actually born on Krypton and sent here by my father Jor-El to save the Planet Earth. ”

Has any other president, joking or otherwise, ever claimed to be a savior for the planet? In the original Superman movie, Jor-El, the father, wore a black suit with a pentagram emblem on the chest with a serpent inside the pentagram. A pentagram is witchcraft and the serpent stands for Satan the devil.

Obama joked that his real father is Jor-El. “El” is Hebrew and means “*the mighty one*.” It is a title for the Creator God!

Just who was Obama claiming to be the son of? “The Alternative”!

Notice what the Scriptures say. In Isaiah 14, we read that Lucifer attempted to ascend above the clouds to become God (Isaiah 14:12-14).

Remember, Obama’s 2008 campaign slogan we heard over and over, was “Yes, we CAN!” When played *backward* it clearly sounds like “thank you Satan”.

A video came out a few years ago on the Bible passage in Luke 10:18 where Christ said, “I saw Satan fall like lightning from heaven” or “I perceived Satan as lightning from the heights.”

In the Hebrew language, the word lightning is pronounced “Bah-Rock.” Some Hebrew conjunctions are reduced down to the “O” sound just as we replaced the fifteenth century “of the clock” down to “o’clock.” The word *heights* in Hebrew is pronounced “Bah-Mah.” Perhaps, Jesus may have left us a clue as to the identity of the antichrist, when He said he perceived Satan as “Bah-Rock” “O” “Bah-Mah”—“lightning from heaven.”

Countdown to Armageddon

The Biblical prophecies speak of a period of great tribulation lasting for ten years. In a sense, the final ten years of Great Tribulation are typified by the church of Smyrna. We read in Revelation 2:10—“Do not fear any of those things which you are about to suffer. Indeed, the devil is about to throw some of you into prison, that you may be tested, and you will have *tribulation ten days*. Be faithful until death, and I will give you the crown of life.” Ten “days” equals ten years being fulfilled (compare Num.14:34; Ezek.4:6).

In my opinion, the ten years of end-time tribulation started with the election of Barack Obama in 2012-2013 when he took office for his second term. The first three years of that tribulation (2012/2013 to 2014/2015) would be more or less *hidden* from sight, and not generally perceived by people. The REAL obvious tribulation would be the final SEVEN years, beginning in 2015/2016 – this present cycle!

This compares to the ten “sefirot” of God which make up His revelation to man. The first three characteristics of God’s *Sefirot* are *internal* (invisible) qualities – wisdom, knowledge, and understanding. The last seven attributes are visible, external qualities. They are defined by the visible parts of the human body—head, arms, hands, torso, hips, legs, and feet.

Could this be a hint that in the End-Times, we will first have three years of invisible tribulation, capped off by seven years of tangible, physical, palpable tribulation? The first three years, the groundwork has been laid. Now beginning in 2015, we are in for

a hellish toboggan ride – a perilous plunge into real, visceral tribulation, such as the world has never before experienced! The external, visible manifestations of tribulation are escalating and being multiplied throughout the world. The dangers are rapidly escalating.

Judging by the evidence, I think that the tribulation has begun. I am not saying it is now the last seven years of the Great Tribulation. But I think the ten years of tribulation began in the year 2012-2013 and the last 3 ½ years will be the worst.

“ A Tall Black Man ”

A recent book entitled *Antichrist 2016-2019: Mystery Babylon, Barack Obama and the Islamic Caliphate* was written by David Montaigne. He points to America as being identified as “Mystery Babylon” in the book of Revelation (see chapters 17-18), and its leader, Barack Obama, as the likely Antichrist.

Iranian Mullah Majlisi wrote that Imam Ali Ibn Abi-Talib (Mohammed’s cousin and son-in-law) prophesied that just prior to the return of the Twelfth Imam – the Mahdi—the ultimate endtimes Savior of Islam – a “tall black man will assume the reins of government in the West.” He would be leading “the strongest army on earth.”

The new western ruler in the West will carry “a clear sign” from the third imam, (whose name was *Hussein* Ibn Ali.). The name “Hussein” is believed to be that sign.

The name Barack, in both Arabic and Farsi (Persian) means “blessing.” Barack Hussein means “the blessing of Hussein” in both languages.

Even the surname Obama, written in the Persian alphabet as O-Ba-Ma, means “he is with us,” another key point of Majlisi’s tradition.

The Hadith also says that “Shiites should have no doubt that he is with us,” another key point of Majlisi’s tradition which is a legitimate Islamic prophecy from centuries ago. It was first discovered on an Iranian website.

Interestingly, it is the Shiites who are the very Muslims in Iran with whom Obama is making a treaty. Netanyahu has said that there is something afoot, but he is powerless to stop it. Now Obama is making peace with the Shiites and the Ayatolla masters of Iran.

Think about the awesome repercussions to this treaty?

On page 261 of his own book, “*The Audacity of Hope*” Obama said, “I will stand with the Muslims should the political winds shift in an ugly direction.”

Have you ever thought that there could be a traitor in the White House?

The writers at the Muslim “End Time Research Center online” suggest the numerical analysis indicates that Barack Obama is likely to be the “Dajjal (Antichrist).”

The Lottery

The apostle John wrote: “Here is wisdom. Let him who has understanding calculate the number of the beast, for it is the number of a man: His number is 666” (Rev.13:18). John is saying, in essence, “Here is a riddle. Figure it out.”

The riddle involves the number “666.” What does it mean? It could be interpreted as “the multitude (number) of the beast,” and the “multitude is 666” – or in the Greek language, “chi xi stigma.” But interestingly, in Arabic the Greek symbols for this number look like “Bismallah,” a phrase that means “in the name of Allah.”

In Greek, the letters mean 666, but in Arabic they signify submitting one’s life to Allah! In other words, the phrase could easily mean, “Let him that hath understanding determine the multitude of the beast, for it is the multitude of a man. And his multitude is in the name of Allah.”

Also, interestingly, 666 is a holy number to Muslims!

But in Hebrew gematria, Bullinger points out the number 6 stands for humanity, imperfection, and incompleteness. Multiplied, 666 symbolizes human failings at their most extreme and is the number of the Beast.

The number seven, on the other hand, stands for the opposite: divinity, perfection, and completion. Multiplied for emphasis the number 777 represents the completeness of God’s perfect plans such as when the world was completed within a seven day week, or the final seven years of conclusion.

Did you know that the day Barack Obama was elected as president in 2008, in his home state of Illinois, the PICK 3 lottery number was “666”!

This is astounding!

The same day the PICK 4 number “7779”, which is also meaningful – it pictures the final perfect completion of God’s plans through the Antichrist with Divine Judgment.

The number 9 is 3 x 3 and is the number of Divine judgment.

These numbers came up in the lottery on the very day Obama won the national election in his own home state. The odds of those two sets of numbers being drawn in the right state on the right date are *1 in 500,000,000*. Could it just be a coincidence?

Obama now has it in mind to become the new leader of the world. Perhaps he will become the new Secretary General of the United Nations in 2017 when his current term as president ends. He is making his plans and secret preparations. Think about it.

The King of “Babylon”

In Daniel’s prophecy, ancient Babylon was to be destroyed. King Belshazzar at a riotous feast saw a terrifying handwritten message on a wall. It said: “MENE, MENE, TEKEL, UPHARSIN.” Daniel was summoned to interpret the mysterious inscription.

He told the king, “This is the interpretation of the message: MENE – God has numbered your kingdom and put an end to it. TEKEL – you have been weighed on the scales and found deficient. PERES – your kingdom has been divided and given over to the Medes and Persians” (Dan.5:25-30).

“Peres” means “divided” and “upharsin” is its plural, meaning “dividings.” These Hebrew words have a monetary value. A “mene” equals 50 shekels and a “upharsin” equals 25 shekels. So all the words together equal 126 shekels. We are to “divide” them, so 126 shekels are composed of 20 gerahs per shekel. The total comes to 2,520 shekels – the number of the judgment upon Babylon. 2520 equals seven Biblical “prophetic” years of 360 days each.

However, an actual solar year is 365.25 days, so let’s multiply this figure times seven years, and we come up with 2,557 total years. Ancient Babylon fell to the Medes and Persians in 539 B.C. Counting 2,557 years from that date, the years of Babylon’s punishment, we come to 2019 A.D. (since there is no year zero). Could this be the year the end-time “king of Babylon,” the Antichrist, will be overthrown and judged?

Could the last week of years of this age begin 2012, when Obama was re-elected, and end 7 years later, in 2019? If so, could the final 3 ½ years of Antichrist’s reign, when he will possess complete power and reign over the earth be from 2016-2019?

Watch and Pray

The evidence is compelling. Keep your eyes open. Be vigilant and watchful. Jesus Christ declared, as a warning to us all, “Take heed, watch and pray; for you do not know when the time is” (Mark 13:33).

Christ also warned, “But take heed to yourselves, lest your hearts be weighed down with carousing, drunkenness, and cares of this life, and that Day come upon you unexpectedly. For it will come as a snare on all those who dwell on the face of the whole earth. Watch therefore, and pray always, that you may be counted worthy to escape all these things, and to stand before the Son of Man” (Luke 21:34-36).

The apostle Paul exhorted, “And do this, knowing the time, that now it is high time to awake out of sleep; for now our salvation is nearer than when we first believed. The night is far spent, the day is at hand. Therefore let us cast off the works of darkness, and let us put on the armor of light. Let us walk properly [decently], as in the day, not in revelry and drunkenness, not in lewdness and lust, not in strife and envy. But put on the Lord Jesus Christ and make no provision for the flesh, to fulfill its lusts” (Rom.13:11-14).

Peter admonished, “But the end of all things is at hand; therefore be serious and watchful in your prayers” (I Pet.4:7).

Praise God, Halleluiah, Amen! The Messiah is coming soon!
