

Anubis and the Death of America

“A 25-foot tall replica statue of the Egyptian god Anubis, with a suitcase at his feet, passes in front of the Statue of Liberty while taking a tour of the New York waterways, Tuesday, March 23, 2010. The statue was traveling to announce the upcoming exhibit **'Tutankhamun and the Golden Age of the Pharaohs'** starting on April 23 at the Discovery Times Square Exposition.

Egyptology News – Anubis in New York

“In anticipation of the special exhibition Tutankhamun and the Golden Age of the Pharaohs at Manhattan's Discovery Times Square Exposition (April 23, 2010-January 2, 2011), a towering five-ton sculpture of the Egyptian god Anubis will sail into New York Harbor on March 23, 2010. There it will be juxtaposed for a time with the majestic Statue of Liberty. Hopefully the massive work, measuring 7.6 m (25 ft.) in height, will then take up temporary residence in Shubert Alley, directly opposite the traveling show's last and largest American venue” (*Arts Museum Journal*, Stan Parchin, March 17, 2010).

What is the awesome significance of this unusual “visit”? Is it just an innocent loan of a statue of Egyptian provenance to the city of New York?

Is there dark occultic revelation behind this intriguing pagan entity visiting America?

Says Wikipedia Encyclopedia, “Anubis was associated with the mummification and protection of the dead for their journey into the afterlife. He was usually portrayed as a half human, half jackal, or in full jackal form wearing a ribbon and holding a flail in the crook of its arm” [Wikipedia].

“The jackal was strongly associated with cemeteries in ancient Egypt, since it was a scavenger which threatened to uncover human bodies and eat their flesh” [*ibid.*]

The distinctive black color of Anubis “did not have to do with the jackal [per se] but with the color of rotting flesh and with the black soil of the Nile valley, symbolizing rebirth.” [*ibid.*]

“Anubis is depicted in funerary contexts where he is shown attending to the mummies of the deceased or sitting atop a tomb protecting it. In fact, during embalming, the ‘head embalmer’ wore an Anubis costume. The critical weighing of the heart scene in Book of the Dead also show Anubis performing the measurement that determined the worthiness of the deceased to enter the realm of the dead (the underworld). New Kingdom tomb-seals also depict Anubis atop nine bows that symbolize his domination over the foes of Egypt.” [*ibid.*].

A very interesting article appeared on cj.myfreeforum.org, posted by “Trueman.” After quoting the above references, he declares:

“I believe that everyone would agree that the modern state of Israel has been blessed with many miracles from the God of Abraham, Isaac and Jacob. And likewise, much of their support first came through Great Britain and followed by the United States of America. Even though many who have emigrated to the land of Israel do give their thanks to God the Father, it still seems as if they have placed a greater trust in their own abilities, military, government and support of the US. But as long as they "trust" in themselves and the US, they have no need of the Savior, Yeshua. This, along with misperceptions of Christianity, and especially the deliberate blindness from God has resulted in very few recognizing their one true Lord. . .

“Many ‘Bible scholars’ may or may not have seen the United States in the prophecies of the latter days. But even those who do see the US in the prophecies , do not see America supporting Israel. I doubt if the people in Israel will be capable of overcoming their blindness until they are forced into the realization that they cannot trust in other nations, their government, military or themselves. They will be forced to turn to their only true salvation, Yeshua.

“It appears to me as if that turning point came on March 23, 2010. On that day Israel was humiliated and rebuffed by our president , while the people of the United States were taken captive and the demon of death came to our shores. Forget the past, for

life will never be the same again. Only those in Christ/Messiah will be safe, even if martyred.

“There are a multitude of articles reporting how the leaders of Israel were treated by the President of the United States on the evening of the 23rd. I will simply present one example that you can read on your own.

“Binyamin Netanyahu humiliated after Barack Obama ‘dumped him for dinner’

Earlier that day President Obama had signed the Health Care Act which enables the government to bring the people under their control with the power of life and death. This was accomplished through significant corruption and coercion. This is exactly the same thing that occurred 77 years ago that very day by Adolph Hitler.”

“Hitler’s Enabling Act

“On March 23, 1933, the newly elected members of the German Parliament (the Reichstag) met in the Kroll Opera House in Berlin to consider passing Hitler's Enabling Act. It was officially called the ‘Law for Removing the Distress of the People and the Reich.’ If passed, it would effectively mean the end of democracy in Germany and establish the legal dictatorship of Adolf Hitler.

“The ‘distress’ had been secretly caused by the Nazis themselves in order to create a crisis atmosphere that would make the law seem necessary to restore order. On February 27, 1933, they had burned the Reichstag building, seat of the German government, causing panic and outrage. The Nazis successfully blamed the fire on the Communists and claimed it marked the beginning of a widespread uprising.

“On the day of the vote, Nazi storm troopers gathered in a show of force around the opera house chanting, ‘Full powers – or else! We want the bill – or fire and murder!!’ They also stood inside in the hallways, and even lined the aisles where the vote would take place, glaring menacingly at anyone who might oppose Hitler's will.

“Just before the vote, Hitler made a speech to the Reichstag in which he pledged to use restraint.

“He also promised an end to unemployment and pledged to promote peace with France, Great Britain and the Soviet Union. But in order to do all this, Hitler said, he first needed the Enabling Act.

“A two thirds majority was needed, since the law would actually alter the German constitution. Hitler needed 31 non-Nazi votes to pass it. He got those votes from the Center Party after making a false promise to restore some basic rights already taken away by decree.

“The vote was taken - 441 for, only 84, the Social Democrats, against. The Nazis leapt to their feet clapping, stamping and shouting, then broke into the Nazi anthem, the Hörst Wessel song.

“They achieved what Hitler had wanted for years – to tear down the German Democratic Republic legally and end democracy, thus paving the way for a complete Nazi takeover of Germany.

“And during the day on March 23, the God of the underworld entered the Babylonian waterway of New York. The picture appears as if this demon is either stabbing ‘Liberty’ in the groin or trying to lift her skirt. He brought a suitcase, therefore he must be expecting to be here for a while. I suspect that he is ‘Liberties’ replacement” (<http://cj.myfreeforum.org>, June 6, 2010).

Joseph Herrin, in another article posted on the website, declares, in part:

“Let me share with you what I see in this parable of the Egyptian god Anubis sailing into New York Harbor on the day that President Obama signed the Healthcare Reform Bill into law. Consider for a moment who this god was to the Egyptians.

“The oldest known mention of Anubis is in the Old Kingdom pyramid texts, where he is associated with the burial of the Pharaoh. At this time, Anubis was the most important god of the Dead. . . Anubis was associated with the mummification and protection of the dead for their journey into the afterlife. He was usually portrayed as a half human, half jackal, or in full jackal form wearing a ribbon and holding a flail in the crook of its arm. The jackal was strongly associated with cemeteries in ancient Egypt, since it was a scavenger which threatened to uncover human bodies and eat their flesh. The distinctive black color of Anubis “did not have to do with the jackal [per se] but with the color of rotting flesh and with the black soil of the Nile valley. . .”

“In ancient depictions found in Egypt, the left hand of Anubis held the Ankh. This cross shaped item symbolized the key to life.

“I have noted in prior posts that President Obama is left handed. When he signed the Healthcare Reform Bill into law he used 22 black pens manufactured by Cross. This was an occult message that in signing this bill he held the keys to life and death in his hands. Congress passed this bill through a parliamentary process dubbed ‘the Slaughter Solution.’ They have delivered the American people into the hands of evil men who will now make full use of that which has been given to them. . . .

“It was not coincidental that Anubis sailed past the Statue of Liberty on that day. This event had been planned and carefully choreographed. Announcements were made days earlier that Anubis would have a rendezvous with Lady Liberty. . . .

“Satan ever seeks to imitate and supplant Yahweh. Yahweh has from the beginning spoken through signs and parables. Yahweh has hidden many truths that only the wise and the righteous are intended to discern. Satan has followed this pattern. He is the master of many occult practices. The word occult means “something hidden, or obscure.” It is intended that only those initiated into the secrets of Lucifer should discern the symbolism used.

“Satan chose the day and the hour of recent events. He is testifying that liberty will now be laid to rest in America, even as Anubis was the god who prepared people for burial.

“If I were more skilled with computer graphics I would insert an image of Liberty laying prostrate with Anubis above her. This is what Satan has planned, and Yahweh has given him permission to accomplish his desire in the land. America has been handed over to judgment as surely as Jerusalem was given into the hands of the king of Babylon in the days of Jeremiah.”
