A Voice in the Wilderness

God tells His servants in His Word, “Cry aloud, spare not. Lift up your voice like a trumpet and declare to My people their transgression and to the house of Jacob their sins!” (Isa.58:1, Parallel Amplified Bible).

God also declares: “Comfort, comfort My people, says your God. Speak tenderly to the heart of Jerusalem, and cry to her that her time of service and her warfare are ended, that [her punishment is accepted and] her iniquity is pardoned, that she has received [punishment] from the Lord’s hand double for all her sins.”

We are living in a world gone berserk with anger and rage. “Why do the nations rage?” (Psalm 2:1). Answer – because they don’t know the true God, and are in rebellion against His laws and teachings and the true way of life and peace!

Isaiah wrote: “A voice of one who cries: *Prepare in the wilderness the way of the Lord* [clear away the obstacles]; make straight and smooth a highway for our God. . . . And the glory (majesty and splendor) of the Lord shall be revealed, and all flesh shall see it together; for the mouth of the Lord has spoken it” (Isaiah 40:3-5).

The Messiah is coming very SOON! Its time to prepare to MEET Him! “Surely the Lord will do nothing without revealing His secret to His servants the prophets” (Amos 3:7). The purpose of this magazine is to warn the world of what lies ahead, and to help prepare people to get ready to meet the Messiah, when He returns to restore all things (Acts 3:19-21), put an end to wars, and usher in the Kingdom of God! The prophet Amos declared, “*Prepare to meet your God, O Israel*” (Amos 4:12). No matter is more urgent, today!

The Growing Darkness

The world is spiraling out of control. Millions are asleep at the switch and do not want to be “disturbed.” But times are a’changing, more and more rapidly, as the world teeters on the brink of threatening war, exploding violence in the Middle East, and race riots and anti-police sentiment escalating in America. The Muslim Brotherhood has infiltrated the Obama administration, and Christianity is being marginalized and Christians persecuted as never before.

What went wrong? Where did we go astray? Why is America’s foreign policy in tatters? Why is the world uniting against Israel and why are major world powers intent on displacing the U.S. dollar as the reserve currency for the world?

How much time do we have left? Is 2015 a transition year into the Great Tribulation and the awesome and dreadful “Day of the Lord”? The clock is ticking. The Atomic Clock now reads 3 minutes till midnight!

-- William F. Dankenbring

America Beware!

The Muslim Invasion and the Growing Darkness

The world is going berserk. Nations are raging and war is dominating the news, in Ukraine, Syria, Iraq, Yemen, Saudi Arabia, and Nigeria. The “atomic clock” has been moved to three minutes till midnight (which pictures the final holocaust and nuclear nightmare). Why the sudden destabilization of nations? Why the crescendoing threat to our national security? What has gone wrong? What does Bible prophecy reveal?

William F. Dankenbring

Take a look at the nations of the world today. They are furious and angry, exploding in wrath. Russia is invading the Ukraine and taken over Crimea; ISIS is growing in size like a metastatic cancer throughout the Middle East; Iran is manufacturing intercontinental missiles able to reach great distances including America. China and Russia are preparing in readiness for WWII.

Financial Warfare Exploding

Russia and China are converging their foreign and economic policies, as they seek to reduce the influence of the US dollar and foreign exchange risks. That started in September of 2014 when an agreement between China and Russia ended the dollar’s stranglehold over oil and how it was purchased. The past 14 months have seen a momentous rush towards setting up the infrastructure to replace the dollar completely in global transactions.

Twenty three countries (60% of the world’s GDP) including those from the BRICs nations and the Eurozone (Russia, China, India, and even Germany, France, and the United Kingdom) are setting up swap lines which bypass the dollar and SWIFT (the dollar-based worldwide financial transaction system) and preparing for transition to a new central banking system.

This means the Eurozone itself is abandoning the dollar. The only thing that stands in the way of the world’s final rejection of the dollar is the wavering trust that Saudi Arabia and OPEC have with the U.S. in assuring oil transactions remain denominated in dollars under the 1970’s Petrodollar agreement.

But as the world has seen recently, even the Saudi kingdom is hedging towards a new global system, and has publicly stated that their ties to the U.S. are open for re-negotiation. The Chinese government in its rise to power accumulated a vast reservoir of dollar reserves, amounting to \$3.5 trillion. China has stopped purchasing our debt (holding dollars in reserve) and begun offloading its dollar reserves. A new world monetary system is being set up. Our dollar won't be needed in these countries once the new system is in place, and a new reserve currency will come into being.

On November 16, leaders of the G20 Group of Nations the 20 largest economies – made an important decision. The world's megabanks now have official permission to pledge depositor accounts as collateral to make leveraged derivative bets. And if they lose a bet, the counter party to the contract has first dibs on your money. Most of the governments of these 20 countries including the US have already put these arrangements into law as they agreed. That means your money—checking and savings accounts that are in the bank. What does it mean for you and your bank account? This basically means if the bank fails, the bank pays off its loans first and you can stand at the end of the line to get the money back out of your account until your turn—and get pennies on the dollar, if there is anything left. The largest chunk of unsecured debt that the banks have today is your deposit.

Insolvent banks will re-capitalize themselves by converting your deposits, your checking account, your money market account and your CD's into stock. The G-20 has also declared that derivatives – the toxic contracts Warren Buffett calls “financial weapon of mass destruction” – are secured debts. In the U.S., 100% of deposits in insured banks are protected up to \$250,000 per depositor, courtesy of federal deposit insurance. But it's hardly reassuring that this fund has a reserve ration under 1%. For every \$100 on deposit, the FDIC has less than one dollar to back it with. Since your bank deposits are now only unsecured debt that the bank has pledged to a secured creditor, guess who gets your money if the bet goes the wrong way for bank? Answer: It's not you.

The global financial system is trembling. The most important precaution is to minimize your exposure to the banking system. Keep bank deposits well below the deposit insurance maximums. In September of 2001 (Elul 29/Hebrew calendar year-end), a Shemita year, Wall Street had a wild shift in financial accounting. Exactly seven years later in the fall of 2008 the Stock Market had another shake-up and trillions of dollars were lost on Elul 29. Now in 2015, our economy is on tender-hooks and this the third Shemita year since 2001 on which Wall Street has experienced a substantial financial down-turn on Elul 29.

Financial Armageddon

“Preparing for the Challenges Ahead”—The Destruction of the Middle Class is nearing the final stages (12.17.14) by Tom Chatham. “The events of the past few months seem astounding when taken in all at once. The plan to destroy the U.S. dollar and the American middle class is moving at an ever increasing speed. At the recent G20 meeting the nations agreed that bank deposits would no longer be considered money. These bank

deposits become the property of the banking institution and as such can be used any way the bank wants. This means that money you deposit in a bank now is no longer yours but makes you an investor in the bank and subject to lose that money if a banking crisis takes down the bank.”

“The spending bill just passed by Congress makes the American taxpayer responsible for any derivatives losses that the banks may suffer. These derivative holders now have first priority when any funds are paid out and depositors are relegated to last place. FDIC insurance will have to pay out these funds but it has nowhere near enough money to pay the more than 300 trillion in losses that will be suffered in a banking crisis. That means any depositor has little hope of getting anything back.

In order for depositors to get anything back massive money printing would have to take place making any payout amount to only pennies on the dollar. If you don’t think there is any danger of a banking crisis in America you may want to keep in mind that the Treasury Department has recently ordered \$200k worth of 72 hour emergency kits for dispersion to every major bank in America. There are known by many as bug-out-bags and are used to support individuals when disaster strikes and they have to care for themselves for the first few days of crisis.”

Will 2015 be a year of financial crashes, economic chaos and the start of the next great worldwide depression?

Over 11 predictions of economic disaster in 2015 have been made from top experts all over the globe. Over the past couple of years, we have all watched as global financial bubbles have gotten larger and larger. But as we saw in 2001 and 2008 all financial bubbles comes to an end at some point. Now we are coming to the end of the biggest financial bubble in history! How will it all turn out?

The Middle East Quandary

Now ISIS in the Middle East says it has recruited three Syrian rebel groups operating in the south area bordering Israel and the Golan Heights. These three Syrian rebel groups have pledged their loyalty to ISIS. This may threaten war between Syria and Israel and involve Damascus.

The U.S. is now befriending Iran which is well on the path to completing its development of nuclear weapons to which we have been opposed. But now the U.S. is deliberately turning a blind eye to Iran’s development of nuclear weapons. Apparently the U.S. is allying with Iran, who hates us, so Iran can run the government in Iraq, and then together with us, fight ISIS.

The U.S. helped create and train those rebels in Jordan and Saudi Arabia. Now those we helped create have turned against us and taken over much of northern and western Iraq. It seems *unbelievable. Insane!*

The Jerusalem Connection Report says that if Israel were attacked by ISIS, America would expect a proportionate response by Israel who is militarily capable of defending itself, says Jeffery Levin, professor at New York University. America would counsel against Israeli involvement because that involvement could threaten the alliance between America, Iran, Turkey, and several Arab states against ISIS. We are being bled dry. How can we be allied with Iran and Turkey and other Arab states against ISIS? The Iranians are our enemies. John McCain and President Obama are paving the way for disaster and the incursion of these jihadists into our own country. Obama is bringing thousands of Muslims into America every year.

Joel Rosenberg of *FlashTraffic*, who is a Christian, said in his latest Newsletter (1.5.15)—“Are the terrorists of the Islamic State (aka, ISIL, or ISIS) waging genocide in Syria and Iraq: Are they planning genocidal attacks against the U.S., Israel, or one of our Arab allies in the Middle East?” Rosenberg was interviewed on the Fox News Channel by anchor Shannon Beam. They discussed his new novel, *THE THIRD TARGET*, which relates to the horrors of the Islamic State, and the dangers of becoming complacent in the face of emerging genocidal conditions. The following is an excerpt from what Rosenberg shared:

“You’ve got a quarter of a million people now dead in Syria. You’ve got the largest number of murders and deaths in Iraq this past year, 2014, since 2006-7. And it is getting worse because the Islamic State is literally beheading people, crucifying people, slaughtering people, and selling little girls into sexual slavery. It’s a horrific situation. And yet I’m concerned about complacency.

“Too many political leaders in Washington are becoming complacent about how serious a threat ISIS really is and the stakes. A year ago the President told us that ISIS was not a threat, that they were a ‘JV’ team. Last summer he said ISIS was engaged in genocide. Well okay if they are engaged in genocide why is it such a slow-moving process of defeating them? And what *The Third Target* does – fictionally – is take us into a world which they are not defeated, in which they capture chemical weapons. And then all hell breaks loose, far worse than what we currently see.” This is the reason Rosenberg wrote his newly released book, *The Third Target*.

Muslim Immigration to America

Prophecy News Watch (12.16.14) reports that the U.N. is sending thousands of Muslims to the U.S. The U.S. Federal government is preparing for another “surge” in refugees and this time they won’t be coming illegally from Central America.

WND reported in September that Syrians would make up the next big wave of Muslim refugees coming to the U.S., as resettlement agencies were lobbying for the U.S. to accept at least 75,000 Syrian refugees over the next five years. They are cleared for refugee status by the U.N. high commissioner on refugees (UNHCR), who assigns them to various countries. The United States has accepted nearly 2 million refugees from Muslim countries since 1992, WND previously reported.

“The authority for the resettlement program is the Refugee Act of 1980, signed into law by President Jimmy Carter. Like most other refugees resettled in the United States, they will get help from the International Organization for Migration with medical exams and transportation to the United States. Once they arrive, networks of resettlement agencies, charities, churches, civic organizations and local volunteers will welcome them. These groups work in 180 communities across the country and make sure refugees have homes, furniture, clothes, English classes, job training, and health-care and help enrolling their children in school. Most of the resettlement work done by the above network of agencies is taxpayer funded through various grants distributed by the U.S. Department of Health and Human Services’ Refugee Resettlement Program.”

The Role of the Bush Family

According to Wally Shoebat, “The recently anointed front-runner for the 2016 Republican Presidential nomination is Jeb Bush, a member of the Bush Dynasty. The Bushes are BIG in Arab oil, Saudi Arabia, Kuwait, Qatar and the Middle East. Bush, Sr. has been in the inner workings of the Arab oil business since WWII. Bushes have been pro-Arab and anti-Israel in a lot of their policies ever since, opening America’s flood gates to Arabs and Muslims invasion by building thousands of Mosques because of the open door policy of the Republicans and George W. Bush who embraced Muslim Brotherhood leaders both before and after 9/11.”

George W. Bush “also protected the Clintons for completely separate reasons. Jeb Bush has a history of cozy relations with CAIR which is a Muslim Brotherhood front group in the U.S. Jeb Bush’s desire to run likely has as much or more to do with protecting the family legacy and controlling information about the Bush name. His brother’s presidency is aging more and more poorly with the passage of time.”

“In various ways, Republican establishment candidates are beholden to the Muslim Brotherhood, a group that is strongly supported by Qatar. Muslim Brotherhood countries would indeed support many of the issues supported by establishment Republicans. In the case of common core, this is something that Jeb Bush supports. The Muslim Brotherhood would throw their support behind such a thing. Another issue near and dear to the hearts of the USCOC and establishment Republicans is immigration/amnesty.”

Pakistan and India

The Middle East is continuing to heat up. Middle-East Pakistan and India are the fourth and fifth largest nuclear nations in the world. Pakistan which is one of the most populated countries in the world, with 185 million people has been steadily sinking into the abyss of failed statehood. Ever since its first day as a sovereign nation in 1947, Pakistan has been at war—or on the brink of war—with the one country that’s now the only other nuclear power in South Asia: India. In fact, Pakistan and India have fought three declared wars, one undeclared war, several major battles that have bordered on all-out war, plus countless lesser skirmishes. Recently, in the disputed Kashmir province,

Pakistani Rangers opened fire at several Indian Border Security Force posts along the international border, which prompted retaliation from the Indian troops, and in turn, a threatening advance by the Pakistani army toward the area. In addition, civil war in Pakistan is ramping up on a massive scale. Neither Afghanistan nor Iraq are fighting – or are likely to fight – wars with neighboring countries. They're far too preoccupied with civil conflicts.

Obama's Attitude

If you have noticed, Obama will not use the word jihadist or terrorists in the recent acts of terror, but uses “a lone wolf” ideology, even though these perpetrators are Muslim and loudly proclaim *Allah Akbar*, and use Muslim slogans on *Twitter* and *Face book*. We have leaders who blind their eyes and refuse to call a spade a spade.

The National Day of Prayer is celebrated in the United States every year on the first Thursday in May. President Barack Obama's address at last week's National Prayer Breakfast on February 5, 2015 has reverberated through the corridors of the world and provoked shock and dismay in numerous quarters. He sparked ire among American Christians by saying, “*And lest we get on our high horse and think this is unique to some other place, remember that during the crusades and the Inquisition, people committed terrible deeds in the name of Christ. In our home country, slavery and Jim crow all too often was justified in the name of Christ.*”

Basically, Obama was lecturing Christians not to get on a moral high horse against ISIS atrocities by reminding them that the Crusades and slavery were also justified in the name of Christ.

According to *Jihad Watch* (2/1/15), Obama says, “*Overwhelming majority of Muslims reject Jihadists' view of Islam.*”

“Obama says that 99.9 % of Muslims reject the terrorists' understanding of Islam. Obama has said he avoids the phrase ‘Islamic extremism,’ because he doesn't want to alienate the majority of Peace-loving Muslims as the U.S. fights to defeat terrorist networks around the world. Where are the Muslim organizations that are dedicated to working against the jihadists? Why is this 99.9% so silent and passive in the face of this ‘hijacking’ of their religion?”

In February (2/4/25), President Obama had a secret, closed to the press meeting with a group of fifteen American Muslim leaders at the White House. According to the *Detroit Free Press*, it was a meeting that was granted at the request of Muslim Advocates, an Islamist group that's demanded a stop to NYPD surveillance of radical mosques, anti-terrorist drone strikes and *Gitmo* detentions.

The White House ordered the Muslim attendees not to talk after the meeting about what Obama said during the discussion. Participants said they got a sympathetic ear from Obama. Topping the agenda was “anti-Muslim bigotry” and banning Muslim terrorist profiling by federal law enforcement. *Note*: After stonewalling for days about the names

of participants at the almost two-hour meeting with the president and his national security advisers, the White House finally, quietly attached the list of attendees to the back of its daily press briefing transcript on Thursday (2/10/15) evening, according to the *Washington Times*. The meeting did not include any observant Muslims (like Dr. Zuhdi Jasser) who openly criticize the radical ideas that are central to Islam.

Does this give us a clue to Obama's secret liason with the hard-core Muslim religionist and jihadists?

On the list of the 14 names were members of known jihadist groups. Included was Imam Mohamed Magid, who has advised the administration on formulating responses to incidents that Islamists consider offensive. He has been identified as a representative of the Adams Center, a large mosque in Sterling, Virginia, that has listed a number of trustees and major donors whose offices and homes were raided after 9/11 by federal agents on suspicion of funding terrorists. He has also served as president of the Islamic Society of North America. 'The No. 1 issue raised was the alarming rise in anti-Muslim bigotry in America.' "

Now Obama and his Administration want to take Hamas off the terrorist list and add it to the approved list!

Meanwhile, some 15,000 Gaza teenagers 15–21 years old are learning how to kidnap soldiers, use weapons, and infiltrate into Israel through tunnels from Hamas paramilitary training camps in Gaza. The week-long training camps are called the "Pioneers of Liberation." Hamas organizes military-style camps for young recruits each year, but this was the first time its military wing hosted the training at its bases, the TV report said. And Obama was to legitimize Hamas? Unbelievable!

Because our country has rejected God and turned to the gods of this world and its prince, Satan the devil, America has been betrayed by our leaders – we have been taken over from within.

People and politicians and the Obama administration seemingly do not know or recognize the danger of their policies. As a nation, we are going a way that "seems right" to men. "There is a way that seems right to a man, but its end is *the way of death*" (Proverbs 14:12).

The Scorpion and the Horse

This illustrative story comes to mind about a scorpion and a horse. The scorpion came to a river that was wide and swift and the scorpion couldn't see any way across. Being a very poor swimmer, he looked around and saw a horse standing by the bank and decided to ask the horse to carry him on his back across the river.

The horse replied, "Well, now Mr. Scorpion how will I know that if I try to help you, you won't try to kill me while I am swimming?"

“My dear horse, if I should sting you, you would drown and I would go down with you for I cannot swim. Where is the logic in that?”

“You are right”, agreed the horse. “Hop on!” The scorpion climbed aboard and halfway across the river gave the horse a mighty sting. As they both sank to the bottom drowning, the horse said: “There is no logic in stinging me. Why did you do it?”

“It has nothing to do with logic,” said the scorpion. “It’s just my character. That is what we scorpions do.”

The Tragic Truth about Islam

Contrary to Obama’s claims, Islam is not a religion of peace. All history shows Islam as a religion of war predicated on conquest and forcible conversion, with rape and murder of those who do not convert. One look at Islamic societies shows continual violent atrocities beyond Western imagination, i.e., stoning of women, honor killings of women, acid in girls’ faces, killing gays, arranged marriages, loss of free speech, and loss of women’s rights. That is the world in which we are living. Muslims carry an entirely opposite world view on women’s rights, religious rights, free speech and religious choice.

Sharia Law in America?

“Voluntary Sharia Tribunal in Texas: This is how it starts.”

Breitbart Texas confirmed Tuesday that “an Islamic Tribunal using Sharia law” is indeed operating in Texas. An attorney for the tribunal assures us that participation is “voluntary,” and one of the Sharia judges, Dr. Taher El-badawi says it’s devoted only to “non-binding dispute resolution.”

When asked what he would do when Islamic law conflicted with American law, El-badawi said: “We follow Sharia law.”

When Sharia courts were instituted in the United Kingdom, Muslim and non-Muslim officials alike all assured the British public and the world that they would be voluntary, restricted to matters involving non-criminal matters, and subject to the British courts. Any areas in which British law and Sharia law conflicted would be referred not to the Sharia courts, but to the British courts.

Says Breitbart, “This is not how it worked out. In July 2013, the BBC aired a Documentary and went undercover in one of the 85 Sharia courts operating as a parallel legal system in the UK, and uncovered the extensive abuse of women, refusal to grant divorces, charging of the woman but not the man for divorce proceedings, and even the taking away of the woman’s children, and rulings contrary to British law. Many Sharia law bodies rule on a range of disputes from domestic violence to child residence all of which should be dealt with by UK courts of law.” Instead, “they operate within a misogynist and patriarchal framework which is incompatible with UK legislation.”

The Muslim population, mosques, and Sharia law are rapidly growing and expanding in our own country of America like a Trojan horse. How perverse and perverted our nation has become.

Christian Martyrdom

Israel My Glory recently ran an article titled, *Martyrdom of Christians around the World: the growing genocide of Christians*. According to the article, Muslim nations and other nations where Christians are persecuted, the choice is always the same. “Renounce Jesus Christ and live, or refuse and die.” In the case of Islam, renounce Jesus Christ and become a Muslim or be beheaded, burned at the stake, or be killed some other way.

May 13, 2014 BBC and AFP news coverage broke the story of an eight month pregnant Christian woman (married to a U.S. citizen) who would not renounce her faith and was sentenced to be hanged to death. She had an Ethiopian mother who raised her after her Muslim father abandoned her family. Her mother, a Christian, then raised her and she adopted her mother’s faith. Shari law in Sudan requires that children follow their father’s faith, which led to the initial charges against her.

Originally, Ibrahim was sentenced to 100 lashes for adultery, since her marriage to a Christian is not permitted under the Muslim law. She stuck with her affirmation of faith and the Lord gave her grace and favor to be reunited with her husband, newborn and two-year old child safely.

Word reached the world on October 6, 2014 that Boko Haram terrorists had burned down 185 churches in Nigerian towns they conquered—raided, ransacked homes and caused some 190,000 people to be displaced. This included 200 Nigerian school girls they carried away into slavery—prostitution and sold for wives. As terrible as these numbers are, the slaughter in Nigeria is small compared to the roundup of people being rounded up and killed by ISIS ravishing the Middle East.

ISIS is at war in Iraq and Syria in a bloodthirsty quest to establish an Islamic World Caliphate which they have declared—first in the Middle East, then Europe and then America—ultimately the entire world. Terrorists often say their overriding objective is the *annihilation of Christianity*—which they declare to be enemy number one. Their commitment is on display in the great number of Christians they have slaughtered and churches destroyed.

Horrifying Statistics

In a recent conference in Jerusalem sponsored by the International Christian Embassy and the World Jewish Congress it was reported that across the Middle East that in the last ten years 100,000 Christians have been murdered each year! That means 100,000 Christians murdered each year for ten years totals one million Christians in the Middle East. That means that every five minutes a Christian is killed because of his faith in Christ.

The Great Tribulation is here and has already begun. It will only grow, expand and metastasize and get worse. Today massive numbers are being slaughtered and hardly anyone blinks! It doesn’t make sense.

The world is in darkness, not taking note. In our otherwise seemingly advanced culture we have become immunized to a generation of human beings who are dying for their faith. I have seen recent multiple TV commercials asking for help to prevent the death and inhumane treatment of animals, or small children living in foreign lands and growing up in poverty — asking for donations to care for them.

What about Christians being slaughtered in genocidal proportions?

Immigration Jihad

The concept of immigration jihad goes all the way back to Muhammad, Islam's prophet. Al-Hijrah (immigration) as a means of supplanting the native population and reaching the position of power is a tenet of Islamic imperialism.

Since the early 1990's the UN's high commissioner for refugees has selected 200,000 to 250,000 refugees from Islamic countries to be resettled in the United States. Most of them have come from Somalia and Iraq and are Sunni.

There is a culture clash in American cities, once they are here. Muslim families have more children than the typical American family (average is six) and expect everything from foot baths at public colleges to dietary concessions at public schools.

WND has documented that more than 90 percent of the money used by religious charities for resettling refugees comes from federal grants. They operate like government contractors in the lucrative resettlement business under the guise of providing "charity."

WorldNet Daily (9/15/14) learned that the Obama administration has been greasing the skids for the Syrian refugees for months and the refugees will soon be dumped on American cities throughout the U.S. The number of immigrants in the United States jumped 3 percent in three years — to a record 41.3 million in 2013 — and that the nearly 300,000 came from Muslim countries.

Obama's Plot

Is Obama at the head of a plot to turn America into a Muslim state?

Israel Today (6/28/11) reported the following expose from Victor Mordechai, a Jewish commentator. He declared, "In June 2011 Pastor Don Jones went to one of his orphanages in Haiti after the massive earthquake there and met with a senior UN official who said *Obama had told him that the U.S. would be a Muslim country by 2016, or by the end of his second term in office.* My wife Rachel who is a radio and TV monitor in the Arabic language for Israel Radio in Jerusalem has picked up many broadcasts indicating that the *Arabs see Obama as a Muslim.* In one broadcast prior to the 2008 elections, the Saudis claimed that '*we will have a Muslim in the White House.*'"

Look at the facts. First, Obama's biological father was a Muslim— which makes the President a Muslim. His stepfather was an Indonesian Muslim who raised Obama as a Muslim in a mosque and madrassa (Islamic religious school) in Indonesia until age 11. His half-brothers in Kenya are Muslims."

Wallid Shoebat confirms (5/28/13) Obama's half-brother, Malik and Sudan's President Omar Al-Bashir are much closer than previously thought. Malik is the Executive Secretary of the Islamic Da'wa Organization (IDO) as reported by all major Saudi press, including *Okaz*. The IDO has been created by the Sudanese Government, which is considered by the U.S. State Department as a terrorist state. This places Malik Obama in bed with terrorists and working as an official with a terrorist state.

Obama is very likely a closet Muslim Brotherhood member himself. He has put Muslims in official positions throughout his Administration. His chief adviser, Valerie Jarret, is a Muslim who proudly wears her religion. She is from Iran.

You figure it out!

The Muslim Religion Exposed

NewsWithViews, by Frosty Wooldridge (12.18.14) in an article titled, “Impregnating America with Muslims—Consequences to our Society, Part 1.” Reported that Muslims carry an entirely opposite world view on women’s rights, religious rights, free speech and religious choice.

In the Koran, Chapter 4, verse 89 says: “They desire that you should disbelieve as they have disbelieved, so that you might be (all) alike; therefore take not from among them friends until they fly (their homes) in Allah's way; but if they turn back, then seize them and kill them wherever you find them, and take not from among them a friend or a helper.” The Koran specifically states, “Convert or kill all non-believers.”

Mohammed himself was an illiterate and savage tribal warlord who inspired Islam. He beheaded and be-handed anyone who opposed him.

The Truth about Mohammed

Walid Shoebat explains a shocking fact. “Islam is a homosexual cult that wants to bring the world into a homosexual pagan empire,” he says.

Historically, the followers of Muhammad consisted of *mukhannathun*, or cross dressers. It is the same word as *mukhannatah*, which in Arabic means homosexual.

Shoebat points out that Mohammed wore the clothes of his child bride, Aisha, as a ritual to receive revelations from Allah. “Do not hurt me with Aisha; for by Allah, the inspiration did not descent on me while I was in the coverings (lihaf) of any of you (women) except Aisha.” (Sahih Collection of al-Bukhari, Hadith Number 2442, Chapter 52).

Says Shoebat, “Mohammed was not only a cross-dresser, but had gay friends. Until the modern era, there was no word for sodomy in Arabic or Persian. Nor is there any prohibition of it in the Quran. The Quran itself promises boy loving for jihadists in paradise.”

In Deuteronomy 22:5, God says, “The woman shall not wear that which pertaineth unto a man, neither shall a man put on a woman's garment: for all that do so are abomination unto the Lord thy God.”

In the 21st century, today, Muslims follow his example. Muslims disrupt every Western country they inhabit. It's the nature of their "beast". Muslims lead with violence when they don't get their way. Once they get their way, they lead with more violence to their own. One look at the Middle East and Africa shows endless violence toward others led by Islamists. In order to be faithful to the Islamic religion, Muslims ultimately must degrade and kill all other people who follow any other religions.

Islam Unveiled

Islam means "submission." Once all others submit to Islam, peace will occur. Unfortunately, once Islam dominates, no one enjoys free speech, choice of religion, choice of thought, women's rights and/or any chance at a free society. All other religions are cast out, people convert or are made to pay a tax and the people live as slaves.

Islam offers no minimal age limit for marriage of girls under Sharia. A man can pay a dowry and sign a marriage contract with parents of a toddler girl and consummate the marriage at age nine. Muslim wives cover up for the honor killings of their daughters by their husbands or sons. Recent cases in Yemen and Saudi Arabia exposed this tragedy when 8-year-old girls filed for divorce from their over 50-year-old husbands. Not one Muslim authority challenged the Saudi marriage high official, Dr. Ahmad Al Mubi, who stated in 2008, in an interview that aired on LBC TV: "There is no minimal age for entering marriage. The Prophet Muhammad is the model we follow."

Fact: December 17, 2014, a Pakistani-Muslim slaughtered 141 children at a school, all in the name of Allah. Last summer, in Moore, Oklahoma, an American-Muslim beheaded a fellow worker at a processing plant. Last year, a New Jersey Muslim-American beheaded and be-handed two Christians for violating the Koran.

One American-Muslim in New York beheaded his wife for filing for divorce because of his regular violence toward her. He produced and directed an Islamic television station showing the "softer side of Islam". The estranged wife of a Muslim television executive feared for her life after filing for divorce last month from her abusive husband, her attorney said — and was found beheaded Thursday in his upstate New York television studio. Hassan sits in a jail cell for first-degree murder.

Another father killed his daughter Noor in Arizona by running her over. He sits in a jail cell for premeditated murder. Ironically, Muslims kill on average 5,000 wives and daughters annually in Islamic countries, and get away with it. They enjoy the "right" to kill their loved ones in the name of "honor."

The list goes on and on forever. Today in America, Islam wages its centuries-old war against Christians, Jews, Buddhists, Hindus and every other religion on the planet.

We read in the Koran Chapter 9 verse 5: "So when the sacred months have passed away, then slay the idolaters wherever you find them, and take them captives and besiege

them and lie in wait for them in every ambush, then if they repent and keep up prayer and pay the poor-rate, leave their way free to them; surely Allah is Forgiving, Merciful.”

Does that sound like a joke?

As of 2014, around 7 million Muslims reside in America. They fled bloodshed, poverty and misery in their own countries. Yet, they continue pressing for their religion by saying that Christmas, Easter, Halloween and other traditions in our society “offends” their religion.

Many Muslims feel that the American flag offends them, so we must take it down in our schools. They demand footbaths in our schools. They demand special foods and prayer rooms in our secular schools. They demand that our children study the Koran. Meanwhile, the Supreme Court has outlawed prayer and the Bible from public schools for Christians! Is this freedom of religion?

In 1899, Winston Churchill said, “Individual Muslims may show splendid qualities, but the influence of the religion paralyzes the social development of those who follow it. No stronger retrograde force exists in the world.” He was ever so right!

“Little Mogadishu”

Leo Hohmann wrote in WorldNetDaily, “DHS hides crucial act on ‘terrorist influx’. Homeland Security warned that a Somalia-based terrorist group is encouraging ‘independent actors’ to carry out attacks in Western countries, with the Mall of America in Minnesota among the specific targets, but he failed to mention that the U.S. continues to import hundreds of high-risk Islamic refugees from Somalia every month. The U.S. State Department’s refugee resettlement program has placed more than 100,000 Somalis into U.S. cities and towns since the early 1990’s – ‘all of them Muslim hand-selected by the UN refugee agency.’ Minnesota has become the most popular destination, with secondary hotspots in Maine, Ohio, Colorado and southern California. More than 800 new refugees from Somalia arrive in the United States every month, according to Refugee Resettlement Watch” (*World Net Daily*, Feb.23, 2014).

The constant influx has earned parts of Minneapolis the nickname “Little Mogadishu.” Obama has leaned favorably toward the Muslims ever since becoming president.

A Devastating Plot

Newswithviews’ Frosty Wooldridge reported, “As our Muslim population grows from 7 million in 2014 to a possible 50 million via chain migration by 2050, you may expect our frequencies of Islamic jihad to increase commensurately. Whether you followed the Fort Dix Six Muslims who attempted to commit mass murder on that U.S. base or the Fort Hood killings by Major Hassan, a Muslim, subway bomb plots by the Denver, Colorado taxi driving Muslim, or the Times Square Muslim last winter, or the

Boston Marathon Muslim brother bombers, or the beheadings now continuing at a dizzying pace in our country, you stand eye-witness to America's demise into a multicultural morass from which we may not recover."

"Accordingly, the United States expects to legally import over 100,000,000 (million) immigrants within 30 years. They all hold different 'world views' that failed them in their home countries. What does their presence do to America? It is not merely economic. They fragment and fracture our national ethos.

Samuel P. Huntington, in his book, *The Clash of Civilizations*, said, 'It is my hypothesis that the fundamental source of conflict in this new world will not be primarily economic. The great divisions among humankind and the dominating source of conflict will be cultural. Nation-states will remain the most powerful actors in world affairs, but the principal conflicts of global politics will occur between nations and groups of different civilizations. The clash of civilizations will dominate global politics. The fault lines between civilizations will be the battle lines of the future.' "

He goes on: "Americans are apparently blinded, and will not talk about the 'Lie of Silent Assertion' which continues as if we don't see what's happening. None of the major networks addresses it. They report the consequences of it, but never, ever mention the root causes or long-term effects.

"Foremost goals among Muslims: to occupy the White House. Secondly, to push Sharia Law onto America.

"In Barack Obama, they succeeded with a Muslim in the White House. He features 10 Muslim-Americans on his staff. Only time will tell as to voting their Sharia Law into our country. It's already well on its way in Europe. Once Muslims gain control in sheer numbers, they overwhelm a host country to implement their own culture. In France today, you see 70 'no go zones' where French police, law and culture surrendered to Sharia Law. Under Sharia Law, women lose all their rights."

"*Our country stands in the cross hairs* of a multicultural nightmare bequeathing violence upon us as our Congress and presidents dump another 100 million legal immigrants onto this civilization within 30 years. We need to reduce all immigration to less than 1,000,000 annually and no more Muslims if we hope to survive the 21st century. We citizens must stop kidding ourselves—we stand eye-ball deep in trouble."

The Western world has been quietly, inexorably, stealthily invaded. Millions were unaware. Our government invited them in, claiming it would be a good thing. Europe made the same mistake, and is beginning to pay the price! It has been in the forefront of the Muslim invasion.

Declares Art Moore (WND, 2/12/15), "Yes, There are 'NO-GO' Zones in Europe. France lists 751 'sensitive' areas across country. Europe is full of Muslim 'no-go zones' which have been documented, lamented, reported on and openly discussed for years. In

fact, the governments of France and other European nations have identified specific enclaves, where Muslim immigrants have chosen not to assimilate, as areas in which law enforcement has lost some degree of control.”

The French government lists on its website 751 Zones Urbaines Sensibles, or Sensitive Urban Zones, that the state does not fully control, notes Middle East foreign policy expert Daniel Pipes, director of the Middle East Forum. Once Muslims gain control in sheer numbers, they overwhelm a host country to implement their own culture. In France today, you see 70 “no go” zones where French police law and culture surrendered to Sharia Law.

The Growing Darkness

In Exodus 10:21 we read, “The Lord said to Moses: Stretch forth your hand toward the heavens, and there shall be darkness upon the land of Egypt, and darkness will be tangible.”

How can darkness be “tangible, touchable? “Darkness is usually defined as the absence of light, a phenomenon more akin to nothingness than to something which can be touched or felt.”

Says Shlomo Riskin, in the *Jerusalem Post*, “Herein is depicted a spiritual social darkness, a veritable blindness on the part of the Egyptians, who refused to see their Hebrew neighbors as their siblings under God. Therefore, since they were the more powerful, they enslaved the able-bodied Hebrews and murdered their defenseless male babies. It was this blindness which was miraculously expressed in this ninth palpable plague of darkness. Finally, just as the Egyptians plunged the world into spiritual darkness by enslaving and murdering God’s ‘firstborn’ Israel, God engulfed the Egyptian world in darkness and slew the firstborn of the Egyptians – providing new hope for humanity when Pharaoh submitted to God’s will and allowed the Hebrews to leave Egypt as free men and women.”

Riskin says, “I write these lines with trembling fingers, after a horrific week in which 12 individuals were murdered in Paris, in the offices of the magazine *Charlie Hebdo* in an extremist Muslim attack. Two days later on January 9, four individuals were murdered in Paris in a kosher supermarket, *Hyper Cacher*; their sin was buying kosher food!”

“The frightening aspect of this is that it comes at the heels of an extremist Islamic explosion not only within the Middle East and Asia, but within Europe as well. The peaceful Islam of the Sufi and moderate Sunni variety (11th to 13th centuries), has given way to extremist Wahhabi Islam of world domination, Jihad of conquest by the sword. And the free world is sleeping at the wheel. Iran is being allowed to continue to develop nuclear weaponry; European countries are siding with Mahmoud Abbas in his request for UN recognition even after he makes a pact with terrorist Hamas; Islamic State is on the march, beheading innocent people and taking over more and more territory in Iraq, and America is putting up too little opposition too late.”

Sharia domination today is every bit as dangerous as Hitler's Nazism, and is even more fanatically determined to make the world non-Islam free. The world once again is being engulfed in darkness. We are returning to the dark, black Middle ages, says Riskin, and our response must be strong and immediate. "Ethical monotheistic Islam is being hijacked by fanatic mono-Satanistic Islam."

Islam in Prophecy

Revelation 9:1-3 reveals a future plague to come upon the earth, called the fifth trumpet of the seven seals. We read: "And the fifth angel sounded and I saw a star (an angel) fall from heaven unto the earth: and to him was *given the key of the bottomless pit* (Abyss). And he opened the bottomless pit; and there arose a smoke out of the pit, as the smoke of a great furnace; and the sun and the air were darkened by reason of the smoke of the pit and there came out of the smoke **locusts** upon the earth: and *unto them was given power, as the scorpions* of the earth have power."

Note: In Nahum 3:15-17, locust are identified as a type of Assyrian soldier—mighty military men coming upon the earth. Ancient Assyria was located in the region of Iraq and Syria – the same region where ISIS today is emulating the ancient Assyrians, noted for their cruelty, barbarity, and inhumane torture, beheadings, and crucifixion of their enemies. Today's Assyrians are the jihadists of fanatical ISIS and their Islamic Caliphate!

Revelation 9:4—"And it was commanded them that they should not hurt the grass of the earth, neither any green thing, neither any tree; but only those men which have not the **seal of God** in their foreheads." Verses 7-10 describe the soldiers' appearance and power to hurt men for five months.

Verse 11—"they had a king over them, the angel of the bottomless pit, whose name in the Hebrew tongue is Abaddon, but in the Greek tongue his name is Apollyon."

This is talking about a world war between Islam and the rest of the world which leads up to the final woe, WW III and the sixth trumpet seal and then the final war to end all wars breaks out leading to the intervention of Christ. Christ comes to usher in the kingdom of God before mankind annihilates himself. These things are fast approaching and the world is getting set for doomsday and the clock is ticking.

Brethren, only those who have the seal of God in their foreheads will be spared. Put your trust in God. Know the Word with all your heart and mind and live it out in your life. Walk in the Spirit and footsteps of Christ that your name will be in the book of Life. PRAY without ceasing for His will to be done and for his seal of protection. God will ultimately make all things right! Amen!

Obama's American Subversion –

How Much Time Do We Have Left?

The world has gone berserk. Never have world conditions been so out of control. Perilous days and gargantuan threats are rushing to an epic climax, as nations vie for position, and prepare for global military and economic conflict. Where are we heading? What does the future hold? How much time is left before the clock strikes twelve and Armageddon is at our door?

William F. Dankenbring

The eclipse of the sun signals danger to the nations and the Jewish Talmud records that total lunar moon eclipses are indicators or omens for the nation of Israel (God's chosen nation)." Israel relates to the moon (new moon months) and Gentile nations relate to the sun (sun worship).

The solar eclipse on March was followed by a blood red moon eclipse on Passover, April 5.

The next partial solar eclipse will occur over Northern Europe, Africa and Asia on September 13th which happens to be *Rosh Hashanah*. This will be followed by another lunar eclipse/blood moon which will occur on the Feast of Tabernacles, September 28, 2015. According to NASA, this total blood moon will be at perigee meaning it will be a super moon and seen in Jerusalem during the feast of Sukkot while the Jewish people will be dwelling outside their homes, in their sukkahs looking up toward the heavens.

This last biblical calendar new year also began a Shemitah year (7th year of a 7 year reoccurring cycle) for the land to rest. On the last two Shemitah years which ended on Elul 29, dire events were triggered. In 2001, there was global economic catastrophe as was pointed out by Jonathan Cahn in his book, *The Harbinger*. In 2001, on September 11, the Dow fell 7 percent. Then, seven years later, another Shemitah year, in 2008, Elul 29, the Dow fell another 7 percent.

Will the Shemitah year ending September 12, Elul 29, in 2015 also see an even greater economic upheaval and crash, bringing a third collapse of the stock market and a major collapse of the global economy?

We will soon see what happens on this third Shemitah year's conclusion.

Obama's Ambition

The American Thinker, February 10, 2015, declared, “In Washington speculation is rife that the end of the Obama years is only the beginning of a run for UN Secretary General, a job he can fiddle into real power, using leftist and Muslim regimes from around the world to support him. The only question left to answer in this situation is what the Global Elite wants Obama to do once his second term in the White House is over. No major leader serves any prominent role unless the Illuminati put him/her there. The Elite is the marionette and everyone below just follows the lead. The real question is what the Illuminati want Obama to do if he ascends to the top UN position.”

The *American Thinker* article by James Lewis, asserted, “President Obama is basically a Marxist, Third World variety, which means that he lives in the faith that some elite political minority can rule—first the United States and Europe and then the world! If Washington speculation is right that the end of the Obama years is only the beginning of a run for the UN Secretary General a job he can fiddle into real power using leftist and Muslim regimes around the world. Obama’s ambition runs his mind and his life. He can’t face the end of power.”

“After watching the man for almost a decade, this is the only ambition that makes sense of his actions. It explains his consistent favoritism for Muslims no matter how radical or violent. It explains his surrender to Iran’s nukes, and his constant collusion with the Muslim Brotherhood, now in active civil war with Egypt’s President El Sisi. It explains his comfort with the medieval war theology of Islam, which is also a world-conquering faith.”

These facts seem to explain why Obama does not seem to be really serious about destroying ISIS in the Middle East, and why he overthrew the government of Kaddafi in Libya to install the Muslim Brotherhood in power, which is now degenerated into a free-for-all hotbed of sedition and strife, featuring both Al-Qaida and ISIS.

Obama has been busy making friends around the world. Saudi Arabia has been a supporter, though now they are worried about his overtures to their bitter enemy, Shiite dominated Iran.

It is clear from all the evidence that Obama is pro-Muslim and anti-Israel. His dickering with Iran over a nuclear treaty will pave the way to enable Iran to have and produce its own nuclear weapons, to the consternation of Israel and Prime Minister Netanyahu.

Obama is positioning himself to become the Secretary General of the United Nations. When his term as president ends, will he become the UN’s new Secretary General, and the defacto head of the New World Order?

Says *The Thinker*, “Like all grandiose narcissists with uncontrollable ambitions, Obama figures he can somehow role all the internecine warfare between Shiites and Sunnis, between Persians and Arabs, Turks and Kurds, Copts and Salafists, and finally

get all ‘*the fifty-seven states*’. Fifty-seven is the number of Muslim states in the *Organization of Islamic Cooperation* (OIC) which has a permanent Observer mission to the UN in New York. Obama want to get them behind him as a messianic UN Secretary General.”

James Lewis adds that the UN General Assembly, and Europe will vote for him because the Left runs the EU with an iron hand. The U.S. will vote for him. South America will vote for him in the expectation of “redistribution” of wealth from developed nations (of the world). Israel is the only nation that stands in the way of Obama’s grandiose ambition—at least in his mind.

Obama and Jarrett are a classic “*folie a deux*,” a two-person cult – started the surrender to Iran at the start of this administration, while lying endless times about never permitting the mullahs to have nuclear weapons. But since 1979 the mullahs have been screaming every single day “Death to Israel! Death to America!”

Liberals and so-called “Progressives” are cursed with a delusional inability to believe such threats, no matter how serious they are. Hitler made such threats. Lenin and Stalin did. Iran preaches a genocidal war theology. But history has no impact on liberal minds. Realists understand these world-endangering threats all too well.

Netanyahu and Israel

Obama is setting the stage for the first major clash in the 66 year-old history with the U.S. and our ally, Israel in the Middle East. Obama himself is setting the stage for a historic and painful showdown—not with Iran, not with our enemy ISIS, but our best friend and ally. The U.S. president had turned his back on Prime Minister Netanyahu, refusing to meet with Netanyahu while he is in Washington, bogusly citing his policy against meeting with foreign leaders close to their elections.

Obama has personally abused and threatened Benjamin Netanyahu from the beginning of this administration. It hasn’t worked. Netanyahu is a man of conviction, and he’s faced tougher enemies on the battlefield than the biggest narcissist in the world. We are seeing an unstoppable force gathering steam against an immovable object. That is the real nature of today’s argument about Netanyahu’s desire to speak to the U.S. Congress, and Obama’s rage against any opposition to his nuclear surrender. Netanyahu saw his chance to talk to Congress and the American people as the last chance to stop suicidal appeasement to a fanatical regime that preaches suicidal warfare against its theological enemies.

Obama, however, is bound and determined to surrender to Iranian nukes, because that will give him the power to force Israel’s hand. The Iranian Crescent now surrounds Israel, and it directly threatens Egypt and Saudi Arabia as well. Obama’s every action has been designed to weaken Israel’s sovereignty, in collusion with the European Left, which just recognized Hamas as having standing at the European court in Geneva.

Netanyahu was unable to convince Congress and the American people that surrender to Iran is suicidal. He was unable to stop Obama's appeasement express. He had to take the chance of infuriating Obama, because the alternative is the risk of genocide for his people (and the world itself). But Obama is marching to a different drummer.

A Divine Warning

The apostle Paul wrote to the Thessalonians, "Brethren, concerning the coming of our Lord Jesus Christ and our gathering together to Him, we ask you, not to be soon shaken in mind or troubled, either by spirit or by word or by letter, as if from us, as though the day of Christ had come.

"Let no one deceive you by any means; for that Day [the rapture] will not come *unless the falling away (apostasy) comes first, and the man of sin is revealed, the son of perdition*, who opposes and exalts himself above all that is called God or that is worshiped, so that he sits as God in the temple of God, showing himself that he is God." (2 Thessalonians 2:1-4).

The apostasy comes first, before the man of sin has to rise up before the coming of Christ, *before the rapture*. All those pre-tribulation "rapture" teachers today who say that the saints are going to be "raptured" to heaven and miss the plagues and antichrist, have it all backwards.

The rapture occurs when Christ returns with his hosts of angels to gather his elect from the four corners of the earth at the second coming—that is the rapture.

Notice what verse 4 says about the revelation of the man of sin (son of perdition), "who opposes and exalts himself above all that is called God or that is worshiped, so that he sits as God in the temple of God, showing himself that he is God."

The working of lawlessness under divine restraint had already begun in the apostle's time and has been expanding throughout the Church Age. The key is in verses 6-7—"And now you know what is restraining (taken out of the way), that he may be revealed in his own time. For the mystery of lawlessness is already at work; only *he who now restrains* will do so until he is taken out of the way."

There are various views as to the identity of the restraining influence. Many preachers over the centuries have said it was the Holy Spirit. The use of the masculine pronoun "he" indicates that it is a person. So this has to be an opposing force, in opposition to the man of sin and his plans to unite the world under himself.

What is hindering or holding back the birth of the New World Order? Israel's leader, Prime Minister Netanyahu is actively and diametrically opposed to President Obama's consistent plan to side with the Muslims. On July 2, 2014 when active bombing was occurring between Israel and the Hamas, President Obama phoned Prime Minister

Netanyahu and basically said Israel had to lose and withdraw to the pre 1966 borders with immediate unconditional cease-fire and allow open borders for Hamas which would threaten the security of Israel's survival. Israel and its leader are standing in the way. Could he and Israel be the "restraining one"?

The Obama Roots

Farsi-speaking Valerie Jarrett, the senior advisor to Obama, his right-hand woman was born in Iran. She also has ties with terrorist William Ayers, and her father-in-law, Vernon Jarrett is a card-carrying communist party member and associate of Frank Marshall Davis, the controversial Communist Party activist who was Obama's childhood mentor.

Davis is mentioned many times in Obama's autobiography. Obama's senior advisor/campaign manager David Axelrod also has family roots in the Communist party. His parents were Communists," according to former Saturday Night Live comedian and actress Victoria Jackson, who now hosts a conservative talk show and researched what she calls "the real Obama White House."

Valerie Jarrett said at Stanford University in 1977: "I am an Iranian by birth and of my Islamic faith. I am also an American citizen and I seek to help change America to be a more Islamic country. My faith guides me and I feel like it is going well in the transition of using freedom of religion in America against itself."

The following is written by David Stansfield an Arabic scholar trained at the universities of Durham, Cambridge, the Sorbonne and Toronto, who has lived in many parts of the Arab world: "If you don't know the Arabic language, it is impossible to understand what is really going on in the listener's mind when an Arab leader addresses his people, what levels and depths of meaning and feeling are being plumbed. No translation can get close. It's not like going from German to English, or even from Hindi to English. In every sense of the word, Arabic is a different script that tells a different story. The Islamic extremists known as ISIS are a great deal more dangerous than most of us realize. The reason for this is hidden in plain sight in the name itself: ISIS. In English, this stands for Islamic State in Iraq and Syria, but that's not what it stands for in Arabic: *ad-Dawlat al-Islamiyya fi'l-'Iraq wa 'sh-Sham*: The Islamic State in Iraq and Ash-Sham.

"The crucial difference is the word *Sham*, a word that resonates in the Arabic-speaker's mind on multiple levels, but Syria does not. One thing that it does NOT mean is the truncated Syria that was created by the French in 1922. Sham means the 'North,' the 'Greater Syria' that encompasses not only Cyprus and part of southern Turkey, but also the artificial states the British and the French carved out of the Ottoman Empire after World War One: Iraq, Syria, Lebanon, Transjordan, Palestine – and subsequently Israel.

"For most of the last three thousand years, all these regions were one, not only under the empires of the Ottomans, the Caliphs, the Byzantines, the Romans, the Greeks and the Persians, but also under the ASYRIANS, and even more ancient civilizations

before that, dating all the way back to 2,500 B.C. Sham's roots run very deep – and very dangerously – indeed.”

The Truth about “Moderate” Muslims

There is really is no such thing as a “moderate” Muslim.

Fahad Qureshi (*CNSnews.com*, Feb.3, 2015), who founded *Islam Net* and is considered an Islamic leader in Norway, told a large group of Sunni Muslims that, *contrary to media claims* that it is only “radicals” and “extremists” who support barbaric punishments for those who violate sharia, *regular* Muslims support such things, including the “death penalty for homosexuals” and “stoning for adultery.”

“I always try to tell the media that it is not that speaker that we are inviting who has these ‘extreme radical views,’ as you say. These are general views that every Muslim actually has. *Every Muslim believes in these things*. Just because they are not telling you about it or just because they are not out there in the media, doesn't mean that they don't believe in them.”

Does the current president of the United States openly embrace Islam?

In fact he is quite concerned with slandering the Prophet of Islam as he made clear before the United Nations. Obama is hesitant to use the words “Islamic terrorists” and is appeasing Islamic terrorists and giving in to the nuclear demands of the terrorist state Iran. His recent obscured remarks at the national Prayer Breakfast were not said in reference to “terrible deeds” in the name of “Islam.” Instead in every place where the word “Islam” might have been expected, the word “religion” was substituted.

When mention of the Islamic inspiration of terrorists becomes truly inescapable, the Obama administration spokespersons will emphatically insist that their actions do not represent the true Islam. Obama says the Muslims are our friends.

Is this just another deception?

The following quotes are from the Quran and reveal the true Islamic beliefs.

Quran 5:51— “O you who believe, do not take the Jews and the Christians for friends.”

Quran 5:80 –“Those Muslims who befriend unbelievers will abide in hell.”

Even family members are not to be taken as friends if they take pleasure in disbelief rather than faith (do not accept Islam).

Quran 9:23—“This is the mildest interpretation of this verse from the 9th Sura, which also advocates ‘slaying the unbeliever wherever ye find them.’”

The following is the motto of the Muslim Brotherhood, which was founded in Egypt (1928) as a vehicle to establish a worldwide Islamic empire governed by Shariah

law. “God is our Goal. The prophet is our leader. The *Quran* is our constitution. Jihad is our way. Death in the service of God is the loftiest of our wishes.”

A prominent Muslim leader in the United Kingdom with links to the Muslim Brotherhood estimates that half of the mosques in the West were founded by Brotherhood members. The brotherhood presents itself as moderate, but it supports violent jihad and is the parent organization of Hamas.

Muslims in High Places

Did you know our government in America is largely Muslim? John Brennan, current head of the CIA converted to Islam while stationed in Saudi Arabia and took his oath on a copy of the Constitution not a Bible.

Congressman, Keith Ellison took his oath on a copy of the Quran.

Obama’s top advisor, Valerie Jarrett, is a Muslim who was born in Iran where her parents still live. Senior Advisor and Assistant to the President for Public Engagement and Intergovernmental Affairs – Valerie Jarrett is involved with vetting all the extremists Obama has appointed and thus, has to be an extremist as well.

For example, she was aware that former Green Czar Van Jones (who withdrew) had a long history of involvement in Communist Party causes, but still said she was “delighted to be able to recruit him into the White House.”

She had to have known, because she married into a family with a pedigree of Communist Party involvement. Her father-in-law, Vernon Jarrett, worked closely with Obama mentor and Communist Party leader Frank Marshall Davis in a number of Communist Party front groups during the Cold War years. Valerie married Vernon’s son in 1983 and later became chief of staff for Mayor Richard Daley, where she was a key player in perhaps America’s most corrupt big city political machine. Obama does not go forward with anything without her counsel.

Hillary Clinton’s top advisor, Huma Abedin is a Muslim, whose mother and brother are involved in the now outlawed Muslim Brotherhood in Egypt. Assistant Secretary for Policy Development for Homeland Security, Arif Aikhan, is a Muslim. Homeland Security Advisor Mohammed Elibiyari is a Muslim.

Obama advisor Salam al-Marayati is founder of the Muslim Public Affairs Council and a Muslim. Sharia Czar, Imam Mohamed Migid, of the Islamic Society of North America is a Muslim. Eboo Patel, Advisory Council on Faith-Based Neighborhood Partnerships, is Muslim.

Interestingly, when Obama took the oath of office when he was sworn in, for his second term, he didn’t repeat the oath properly to defend our nation and our Constitution. Later the Democrats claimed he was given the oath again “in private” which is questionable. Was it on the Bible?

There is a myriad of normal questions asked about Obama which remain unanswered—birth certificate, natural born American citizenship. Despite legal efforts to obtain the truth, his records remain sealed from public view and the mystery continues.

Terrorism and Tyranny

Personal Liberty reports, “Terrorism and tyranny are working hand in hand in America which shows that the ISIS fundamentalists we are now supposed to be fighting in the Middle East received their covert funding and training from the American CIA and the Saudi Arabian government along with other western intelligence agencies” (1-14-15).

“Globalist middlemen like John McCain and ‘former’ CIA goons like General Paul Valley have met directly with groups like the Nusra Front that are providing support for ISIS. Saudi Arabia has been openly funneling cash and arms to Syrian terrorist factions tied to ISIS. Now politicians are shifting their language to the term ‘extremism,’ which is far broader in its implications. It should be noted that while the terrorist label has been bandied about rather liberally by both the Bush and Obama administrations, ‘extremism’ offers greater cover for governments to persecute or attack political opponents.”

The word terrorist is avoided, because they do not want to call it what it is. “An extremist could literally be anyone who holds views or initiates activism outside acceptable forms of mainstream thought.”

It is disturbing to witness the lack of conviction that most Americans evidence today. People lack the conviction of their morality and a conviction that God’s word is truth and his law is for us today. Unless we want to suffer the ultimate penalty, we dare not compromise with God.

Admiral “Ace” Lyons, a 4-Star Admiral, makes the following stunning claim: “4 Star General Admiral Lyons, who was in charge of the largest single military command in the world, slammed Barack Obama, and warned Congress that the *Muslim Brotherhood has infiltrated every U.S. National Security Agency under Obama’s administration.*”

This was said just days before Obama would invite more than a dozen Muslim Brotherhood leaders to a private press-banned meeting in the White House. “Lyons, the father of Red Cell- the Navy’s anti-terrorism units”— said that ‘the transformation of America has been in full swing ever since 2008, the year Obama was elected president — based upon his campaign promise to fundamentally transform America’” (*Top Right News* by Brian Hayes).

“No question we’ve got a (tremendous) job ahead of us with the Muslim Brotherhood penetration in every one of our national security agencies, including all our intelligence agencies. Our leading intelligence agency is headed by a Muslim convert (CIA Director John Brennan, long rumored to have converted to Islam in the 1990’s in Baghdad).

“Admiral Lyons asserted that there is no such thing as radical Islam, but that *‘Islam is Islam.’ The threat is Islam.*”

Make no mistake about it. These Muslims in our government administration have not been vetted (investigated properly) regarding their loyalty to the United States.

Louisiana Governor Bobby Jindal had the best reply to Obama's *history lecture* at the national Prayer Breakfast: "We will be happy to keep an eye out for runaway Christians, but it would be nice if he would face the reality of the situation today. The Medieval Christian threat is under control, Mr. President. Please deal with the Radical Islamic threat today."

After these remarks, Bobby Jindal was accused of being an extremist, a fanatic and a radical.

The Jews today are much like Mordecai and Queen Esther in ancient Persia facing the threats and plots of wicked Haman. Haman recognized and took advantage of a nation that was sleeping. The Jewish people had been assimilated and felt confident and secure going about business as usual, eyes closed and unaware to what was happening around them. They didn't take threats seriously and saw no dangers and were lulled into a sense of false security. Then suddenly Haman won the favor of king Xerxes to destroy all the Jews. Total destruction threatened.

So it is, today. Iran threatens Israel. Obama himself threatens Israel. Where will it all end? Most of the Jewish people in the United States are oblivious to the dangers posed to them. They, like their ancestors, are "asleep" and have their eyes closed, lulled into a false sense of security.

The Muslim Takeover

Says the *American Thinker*, Obama's entire administration has been a promotion of Islam at home and abroad, and just cataloging the evidence would fill a book. He has made this country cozy for Islam, from ordering NASA to make Muslims feel good about them-selves to calling ISIS beheading victim Kassig by the Muslim name that he had adopted in the vain hope of saving his life. If only Obama's coziness were limited to such gestures but from the very beginning of his administration, he labored to topple the strongman governments that kept a lid on Islamic extremism: Tunisia, Egypt, Libya, and Yemen."

"Overthrowing the Syrian government was also part of the program, not achieved yet, but still possible. The methodology of each was a tactic from old-school radicalism: stir up domestic trouble that triggers a crackdown; then, use the reaction to discredit the government and as a pretext for stirring up greater cycles of trouble until the targeted regime is replaced. Obama is comfortable with Islam's extreme. He arms such people throughout the Middle East. He has let them into our government. He supported the Muslim Brotherhood's Muhammad Morsi as the replacement for Hosni Mubarak, a staunch US ally and enemy of the Muslim Brotherhood, and threatened and bullied Egypt when a massive revolt replaced Morsi with a religious moderate."

"The thread of all of these efforts was the reestablishment of the Islamic caliphate, the line of successors of Muhammad that ended nearly a century ago with the collapse of

the Ottoman Empire. This has always been a Muslim Brotherhood objective. The caliphate was resurrected last year, only it is not in the hands of the Muslim Brotherhood – not yet anyway. However it came about the caliphate was Obama’s creation, and he has only half-heartedly pushed back against it. Now he has asked the U.S. Congress for authorization for use of military force against what he created. What is Obama up to with this?”

A New Look at Barack Obama

Says *American Thinker*, “There is nothing in Obama’s head that is American. He is an antithetical American, a polar opposite of its values that he is routinely undermining. He is an unabashed member of the trans-tribal super-tribe that Muhammad created 1,400 years ago; and it is evidence that America has been had.” (*American Thinker*, Feb.18, 2015).

This explains why President Obama was negative toward Prime Minister Netanyahu and refused to even talk to him when he came to speak before Congress. But he invites and extends himself to Hamas and the Muslim Brotherhood, speaks to Iran and is working on making a treaty with Iran – a bitter enemy of Israel.

Obama is up to something. Even though Israel is the only democracy in the Middle East and the closest ally we have in the region, Obama is doing everything he can to show that he is opposed to supporting Netanyahu and the Israeli government—the nation that is being directly endangered by threats of genocide.

The prophet Daniel declared, “And in the latter time of their kingdom, when the transgressors are come to the full, a king of fierce countenance, and understanding dark sentences, shall stand up. And his power shall be mighty, but not by his own power: and he shall destroy wonderfully, and shall prosper, and practice, and shall destroy the mighty and the holy people. And through his policy also he shall cause craft to prosper in his hand; and he shall magnify himself in his heart, and by peace shall destroy many: he shall also stand up against the Prince of princes; but he shall be broken without hand. And the vision of the evening and the morning which was told is true: wherefore shut thou up the vision; for it shall be for many days” (Daniel 8:23-26).

Seeking More Power

Talking about his last two years in office, Obama enters what he calls, “the fourth quarter of his presidency.”

Unencumbered by future elections or the need to please anyone beyond his far-left base, he states “interesting stuff happens in the fourth quarter.” Indeed. Having recently legalized 5 million illegal aliens by executive fiat – a move almost universally acknowledged as flagrantly unconstitutional – Obama is clearly signaling his intention to make as many similarly audacious power plays as possible over the next two years, all the while challenging Congress and the American people to “*stop me if you can!*”

Who is left to stand in his way and the potential antichrist? Elected by a host of leftists and low-information voters according to many observers and politicians on the scene, “Obama is essentially untethered to reality. He declared 2014 as a ‘breakthrough year’ for America.

Boasting of more jobs, more people insured, a growing economy, shrinking deficits, bustling industry, booming energy,” he concluded: “Take any metric that you want. America’s resurgence is real. We are better off.” How about it? The truth is quite the opposite. “With an astonishing 92 million Americans now out of the workforce, the labor participation rate under Obama is at its lowest since the Carter “malaise” of 1978.

Obamacare is causing the slow, agonizing death of the American healthcare system; the national debt is in outer space. America at home is being overrun with illegal aliens, and abroad is ridiculed by enemies and mistrusted by friends, and a recent Washington Post-ABC News poll revealed that only 22 percent of Americans – 1 in 5 – believe they’re “better off” under Obama. America is being ridiculed by its enemies and mistrusted by its friends.

The real question is what is Obama up to in the next two years of his second term?

What does he mean by “*interesting stuff happens in the fourth quarter*” that is going to excite and energize him? His own words create a profile of a stealth Muslim who has infiltrated the office of the presidency of the United States.

Obama’s Real Agenda

What is our President’s real agenda?

Beginning in January 2014, 60,000 illegal immigrants of unaccompanied minor Children and big groups of families from Central America poured over our southern border coming up through Mexico, invited by Obama. The number is expected to more than double to 130,00 in 2015.

The last fifteen years our country’s borders have been kept wide open and immigration laws suspended. Thousands of Islamic Muslims have been imported from “war zones” of Iraq, Syria, and Somalia.

Obama is in the process of radicalizing America and bringing to America the same violent and radicalized ideology that has led to intolerance, crisis and terror attacks in Europe and the Middle East.

We are in denial of who our enemy is. Obama says Prime Minister Netanyahu is our enemy and Israel is not to be trusted. When Netanyahu came to address our U.S. Congress as invited by the Speaker of the House in March, Vice-President Biden said that he would not attend, and he didn’t. With Obama and his cohorts in the White House, suddenly our enemies have become our “friends”, and our cherished friends have become our “enemies,” including the only true democracy in the Middle East, Israel.

The Legacy of Haman

As a historical footnote to the present, it is interesting that King Xerxes came to power in Persia in 485 BC. A Biblical Jubilee year is every fifty years (Leviticus 25). Counting fifty Jubilee years (50×50) = 2,500 years.

Counting 2,500 years from 485 BC when Xerxes began his reign as full king of the Persian Empire, brings you to the year 2015 AD – this present year.

Strikingly enough, history is repeating itself. Iran is modern day Persia. It is close to achieving nuclear warfare power to enable it to potentially wipe out Israel.

In the days of ancient Xerxes, Haman, his prime minister, sought to annihilate the Jewish race. Modern Iran/Persia shares the same goal.

Haman was “the son of Hammedatha the Agagite” (Esther 3:1). Hammedatha means “he who troubles the law.” Agagite means “given by the moon,” possibly an allusion to Allah the “moon god.” Islam’s main symbol is the crescent moon. These considerations impel me to think of Obama – a lover of Islam and one who “troubles the law,” defying the Constitution, and ruling by imperial edict his own White House fatwahs.

One of the traditions of Purim is to wear a mask. Even so, Obama has masked his own secret identity, wearing the mask of a benevolent ruler seeking only to help the poor and redistribute the wealth, while remaining silent on or even encouraging race riots, as cities go up in flames.

On Adar 13 on the fixed Jewish calendar, Israeli Prime Minister Benjamin Netanyahu spoke to the U.S. Congress (March 3) about the new Persian Empire, Iran, who seeks to conquer the world and destroy the state of Israel and the United States.

The Feast of Purim and Netanyahu’s speech converged in the same week, occurring on the Hebrew calendar Adar 12 on the biblical Fast of Esther. Is the biblical story of Esther replaying thousands of years later? Esther asked for prayer and fasting as she was about to approach the ruler of the ancient world, her Persian husband and king, to plead for the lives of her people.

Today, Persia, now called Iran, once again stands at the center of an alleged murderous plot. Iranian mullahs are accused of plotting an apocalyptic dream of destroying Israel off the map and being aided in the process by the soon realization of a goal more than 20 years in the making—obtaining a nuclear arsenal without any restraint.

The present Iranian government has made it entirely clear that it is one of the greatest enemies to the U.S., to Israel, and our closest allies. Yet Barack Obama, like Neville Chamberlain in 1939, claims his treaty with Iran will bring “peace in our time.” What hogwash and balderdash!

Is Obama himself a modern day “Haman”? Does he also seek the destruction of Israel – like his Muslim friends?

The Obama Profile

September 2011 Obama effectively laid out his reelection campaign telling supporters at a California fund-raiser, “Don’t call me the Almighty, call me the alternative.”

Well, let’s do it!

What is the alternative to the Almighty? It is God’s adversary, Satan the devil. So, is Obama really the spiritual “son” of Satan, the son of perdition—lawlessness?

Without a doubt, he is the most lawless, arrogant president America has ever had, which speaks a great volume.

When Obama was approached by Morgan Freeman at a fund raiser, Obama said, “This guy was president before I was,” referring to Freeman’s role as president in the movie “Deep Impact.” Next, he said, “This guy was God before I was”—referring to Freeman’s role in the movie, “Bruce Almighty”.

Can you imagine that? How modest of Obama who might himself one day stand in the temple of God and claim to be “God.”

Does Obama harbor a secret desire on becoming deified as a “God” or divine “Messiah” and “Savior”? Will he someday proclaim himself to be a “God”?

Many of Obama’s worshipers already seem to confer on him the status of deity. Louis Farrakhan referred to him as the “Messiah.” Oprah Winfrey declared, “He is the One. He will help us evolve.” Movie director Spike Lee has referred to him as “Black Jesus,” and “the Savior.” He exclaimed, “Time shall be measured Before Barack and After Barack.”

Actor Jamie Fox at an awards ceremony called Barack Obama “our Lord and Savior.” Hardball’s Chris Matthews said “Obama is writing the New Testament.”

Have these plaudits and accolades already gone to Obama’s head?

In October 2008 (always in jest of course) Obama said in a debate with John McCain, when they were running for the office of president, “Contrary to the rumors you have heard, I was not born in a manger. I was actually born on Krypton and sent here by my father Jor-El to save the Planet Earth. ”

Has any other president, joking or otherwise, ever claimed to be a savior for the planet? In the original Superman movie, Jor-El, the father, wore a black suit with a pentagram emblem on the chest with a serpent inside the pentagram. A pentagram is witchcraft and the serpent stands for Satan the devil.

Obama joked that his real father is Jor-El. “El” is Hebrew and means “*the mighty one*.” It is a title for the Creator God!

Just who was Obama claiming to be the son of? “The Alternative”!

Notice what the Scriptures say. In Isaiah 14, we read that Lucifer attempted to ascend above the clouds to become God (Isaiah 14:12-14).

Remember, Obama’s 2008 campaign slogan we heard over and over, was “Yes, we CAN!” When played *backward* it clearly sounds like “thank you Satan”.

A video came out a few years ago on the Bible passage in Luke 10:18 where Christ said, “I saw Satan fall like lightning from heaven” or “I perceived Satan as lightning from the heights.”

In the Hebrew language, the word lightning is pronounced “Bah-Rock.” Some Hebrew conjunctions are reduced down to the “O” sound just as we replaced the fifteenth century “of the clock” down to “o’clock.” The word *heights* in Hebrew is pronounced “Bah-Mah.” Perhaps, Jesus may have left us a clue as to the identity of the antichrist, when He said he perceived Satan as “Bah-Rock” “O” “Bah-Mah”—“lightning from heaven.”

Countdown to Armageddon

The Biblical prophecies speak of a period of great tribulation lasting for ten years. In a sense, the final ten years of Great Tribulation are typified by the church of Smyrna. We read in Revelation 2:10—“Do not fear any of those things which you are about to suffer. Indeed, the devil is about to throw some of you into prison, that you may be tested, and you will have *tribulation ten days*. Be faithful until death, and I will give you the crown of life.” Ten “days” equals ten years being fulfilled (compare Num.14:34; Ezek.4:6).

In my opinion, the ten years of end-time tribulation started with the election of Barack Obama in 2012-2013 when he took office for his second term. The first three years of that tribulation (2012/2013 to 2014/2015) would be more or less *hidden* from sight, and not generally perceived by people. The REAL obvious tribulation would be the final SEVEN years, beginning in 2015/2016 – this present cycle!

This compares to the ten “sefirot” of God which make up His revelation to man. The first three characteristics of God’s *Sefirot* are *internal* (invisible) qualities – wisdom, knowledge, and understanding. The last seven attributes are visible, external qualities. They are defined by the visible parts of the human body—head, arms, hands, torso, hips, legs, and feet.

Could this be a hint that in the End-Times, we will first have three years of invisible tribulation, capped off by seven years of tangible, physical, palpable tribulation? The first three years, the groundwork has been laid. Now beginning in 2015, we are in for

a hellish toboggan ride – a perilous plunge into real, visceral tribulation, such as the world has never before experienced! The external, visible manifestations of tribulation are escalating and being multiplied throughout the world. The dangers are rapidly escalating.

Judging by the evidence, I think that the tribulation has begun. I am not saying it is now the last seven years of the Great Tribulation. But I think the ten years of tribulation began in the year 2012-2013 and the last 3 ½ years will be the worst.

“ A Tall Black Man ”

A recent book entitled *Antichrist 2016-2019: Mystery Babylon, Barack Obama and the Islamic Caliphate* was written by David Montaigne. He points to America as being identified as “Mystery Babylon” in the book of Revelation (see chapters 17-18), and its leader, Barack Obama, as the likely Antichrist.

Iranian Mullah Majlisi wrote that Imam Ali Ibn Abi-Talib (Mohammed’s cousin and son-in-law) prophesied that just prior to the return of the Twelfth Imam – the Mahdi—the ultimate endtimes Savior of Islam – a “tall black man will assume the reins of government in the West.” He would be leading “the strongest army on earth.”

The new western ruler in the West will carry “a clear sign” from the third imam, (whose name was *Hussein* Ibn Ali.). The name “Hussein” is believed to be that sign.

The name Barack, in both Arabic and Farsi (Persian) means “blessing.” Barack Hussein means “the blessing of Hussein” in both languages.

Even the surname Obama, written in the Persian alphabet as O-Ba-Ma, means “he is with us,” another key point of Majlisi’s tradition.

The Hadith also says that “Shiites should have no doubt that he is with us,” another key point of Majlisi’s tradition which is a legitimate Islamic prophecy from centuries ago. It was first discovered on an Iranian website.

Interestingly, it is the Shiites who are the very Muslims in Iran with whom Obama is making a treaty. Netanyahu has said that there is something afoot, but he is powerless to stop it. Now Obama is making peace with the Shiites and the Ayatolla masters of Iran.

Think about the awesome repercussions to this treaty?

On page 261 of his own book, “*The Audacity of Hope*” Obama said, “I will stand with the Muslims should the political winds shift in an ugly direction.”

Have you ever thought that there could be a traitor in the White House?

The writers at the Muslim “End Time Research Center online” suggest the numerical analysis indicates that Barack Obama is likely to be the “Dajjal (Antichrist).”

The Lottery

The apostle John wrote: “Here is wisdom. Let him who has understanding calculate the number of the beast, for it is the number of a man: His number is 666” (Rev.13:18). John is saying, in essence, “Here is a riddle. Figure it out.”

The riddle involves the number “666.” What does it mean? It could be interpreted as “the multitude (number) of the beast,” and the “multitude is 666” – or in the Greek language, “chi xi stigma.” But interestingly, in Arabic the Greek symbols for this number look like “Bismallah,” a phrase that means “in the name of Allah.”

In Greek, the letters mean 666, but in Arabic they signify submitting one’s life to Allah! In other words, the phrase could easily mean, “Let him that hath understanding determine the multitude of the beast, for it is the multitude of a man. And his multitude is in the name of Allah.”

Also, interestingly, 666 is a holy number to Muslims!

But in Hebrew gematria, Bullinger points out the number 6 stands for humanity, imperfection, and incompleteness. Multiplied, 666 symbolizes human failings at their most extreme and is the number of the Beast.

The number seven, on the other hand, stands for the opposite: divinity, perfection, and completion. Multiplied for emphasis the number 777 represents the completeness of God’s perfect plans such as when the world was completed within a seven day week, or the final seven years of conclusion.

Did you know that the day Barack Obama was elected as president in 2008, in his home state of Illinois, the PICK 3 lottery number was “666”!

This is astounding!

The same day the PICK 4 number “7779”, which is also meaningful – it pictures the final perfect completion of God’s plans through the Antichrist with Divine Judgment.

The number 9 is 3 x 3 and is the number of Divine judgment.

These numbers came up in the lottery on the very day Obama won the national election in his own home state. The odds of those two sets of numbers being drawn in the right state on the right date are *1 in 500,000,000*. Could it just be a coincidence?

Obama now has it in mind to become the new leader of the world. Perhaps he will become the new Secretary General of the United Nations in 2017 when his current term as president ends. He is making his plans and secret preparations. Think about it.

The King of “Babylon”

In Daniel’s prophecy, ancient Babylon was to be destroyed. King Belshazzar at a riotous feast saw a terrifying handwritten message on a wall. It said: “MENE, MENE, TEKEL, UPHARSIN.” Daniel was summoned to interpret the mysterious inscription.

He told the king, “This is the interpretation of the message: MENE – God has numbered your kingdom and put an end to it. TEKEL – you have been weighed on the scales and found deficient. PERES – your kingdom has been divided and given over to the Medes and Persians” (Dan.5:25-30).

“Peres” means “divided” and “upharsin” is its plural, meaning “dividings.” These Hebrew words have a monetary value. A “mene” equals 50 shekels and a “upharsin” equals 25 shekels. So all the words together equal 126 shekels. We are to “divide” them, so 126 shekels are composed of 20 gerahs per shekel. The total comes to 2,520 shekels – the number of the judgment upon Babylon. 2520 equals seven Biblical “prophetic” years of 360 days each.

However, an actual solar year is 365.25 days, so let’s multiply this figure times seven years, and we come up with 2,557 total years. Ancient Babylon fell to the Medes and Persians in 539 B.C. Counting 2,557 years from that date, the years of Babylon’s punishment, we come to 2019 A.D. (since there is no year zero). Could this be the year the end-time “king of Babylon,” the Antichrist, will be overthrown and judged?

Could the last week of years of this age begin 2012, when Obama was re-elected, and end 7 years later, in 2019? If so, could the final 3 ½ years of Antichrist’s reign, when he will possess complete power and reign over the earth be from 2016-2019?

Watch and Pray

The evidence is compelling. Keep your eyes open. Be vigilant and watchful. Jesus Christ declared, as a warning to us all, “Take heed, watch and pray; for you do not know when the time is” (Mark 13:33).

Christ also warned, “But take heed to yourselves, lest your hearts be weighed down with carousing, drunkenness, and cares of this life, and that Day come upon you unexpectedly. For it will come as a snare on all those who dwell on the face of the whole earth. Watch therefore, and pray always, that you may be counted worthy to escape all these things, and to stand before the Son of Man” (Luke 21:34-36).

The apostle Paul exhorted, “And do this, knowing the time, that now it is high time to awake out of sleep; for now our salvation is nearer than when we first believed. The night is far spent, the day is at hand. Therefore let us cast off the works of darkness, and let us put on the armor of light. Let us walk properly [decently], as in the day, not in revelry and drunkenness, not in lewdness and lust, not in strife and envy. But put on the Lord Jesus Christ and make no provision for the flesh, to fulfill its lusts” (Rom.13:11-14).

Peter admonished, “But the end of all things is at hand; therefore be serious and watchful in your prayers” (I Pet.4:7).

Praise God, Halleluiah, Amen! The Messiah is coming soon!

Prophecy Briefs

“Countdown to Disaster”

As the climax of the “Shemitah” year draws near, the man who popularized the once-obscure Hebrew word sees more cause than ever for concern.

America is in for a great “shaking,” says Jonathan Cahn, author of the New York Times best-sellers “The Harbinger” and “The Mystery of the Shemitah.”

The Shemitah year began on Sept. 25, 2014, and will hit its climax on Sept. 13, 2015. That is exactly four months away, when the Hebrew calendar lands on Elul 29, the same biblical day of reckoning that brought record stock-market crashes in September 2001 and September 2008.

The Shemitah comes once every seven years and, according to Cahn, can bring blessings or judgments. For a nation that started out dedicated to God but falls into apostasy, each Shemitah year can bring progressively worse judgments until the nation repents and turns back to God, he said.

Cahn remains cautious about making any specific predictions on how the Shemitah will play out over its final four months. He emphasizes that nobody can predict with absolute clarity what will happen as August turns into September and September into October.

But as he looks into the approaching storm, here are his main concerns:

President Obama continues to foster poor relations with Israel, reaching an agreement on Iran’s nuclear enrichment that Israeli Prime Minister Benjamin Netanyahu has characterized as a “bad deal” for his nation’s future security.

America continues to slide into the moral abyss, embracing homosexual marriages and pushing transgenderism in the public schools. A landmark Supreme Court decision on same-sex marriage is expected in June.

At the same time Obama alienates Israel, ISIS continues to rise in the Middle East and recently carried out a brazen attack on the U.S. homeland with an attempted mass shooting at a free-speech event in Garland, Texas, last week.

The FBI now says it has active investigations into ISIS sympathizers in all 50 states. ISIS claims to have 71 fighters with targets in 15 states. It has threatened to infiltrate the ranks of refugees, which continue to flood into the U.S. from the Middle East and Africa by the thousands every month.

Many are coming from known terror-supporting states like Syria, Iraq, Afghanistan, Yemen and Somalia. Mosques are rising in cities across the U.S., and the White House Task Force on New Americans is working feverishly in cooperation with governors and mayors to lay out the welcome mat.

While Islam is on the rise, Pew Research Center released a poll this week that found a stark decline in the number of Americans who consider themselves Christian, falling 8 percentage points in just seven years. Only 70 percent now call themselves Christian, and those self-identifying as agnostic reached an all-time high of 56 million.

Cahn sees a connection between what he calls “the apostasy” or falling away from God and Judeo-Christian values, the willingness to abandon Israel and the rise of Islamic terrorism.

A familiar enemy

“The pattern revealed in ‘The Harbinger’ could be significant concerning America’s future,” he said.

“When ancient Israel was destroyed in 722 B.C., the agents of its destruction were the ancient Assyrians, the same ones who were responsible for inflicting a strike of terror on the nation years before. Assyria was the originator of terrorism,” Cahn told WND. “America’s first strike came on 9/11. Since America has followed the fatal pattern of ancient Israel in defiance and apostasy, since the harbingers of judgment have not stopped manifesting, I wondered whether this part of the

pattern would also replay.”

That pattern is this: The same forces responsible for the first strike on ancient Israel returned years later to deliver another, more devastating attack.

In light of this pattern, Cahn sees the rise of ISIS, an outgrowth of al-Qaida in Iraq, as ominous.

“The agents of ISIS not only claim the same region as that of the ancient Assyrians, but they practice the exact same acts as savagery, mutilation of their victims, beheadings, and the publicizing of these acts to inspire terror throughout the world,” Cahn said. “The fact that America is now engaged again with the agents of terror, and in the days of its deepening apostasy from God is doubly ominous.”

And Cahn is not the only Christian leader who sees judgment on the horizon for America. Many others, from Franklin Graham to James Dobson to Joel Richardson have all spoken out with words of warning in recent months.

This week a new voice, Ann Graham Lotz, daughter of the Rev. Billy Graham, added her name to the list.

Lotz issued a “Mayday” alert for Americans to engage in a week of steadfast prayer and intercession for the country May 15-23. She believes the U.S. is careening headlong toward judgment “and it’s going to be ugly,” she wrote on her website.

“Institutions will collapse. Banks will close,” Lotz wrote. “The stock market will plunge. Planes will fall out of the sky. Cars will crash on the road. Government in America at every level will disintegrate. Families will be torn apart.”

Lotz even mentioned the tetrad of “blood moons” as major signs that judgment is coming, affirming the work of pastor Mark Biltz, author of “Blood Moons: Decoding the Imminent Heavenly Signs.”

Though the pattern of the Shemitah is that it’s most dramatic consequences tend to come at the end, Cahn believes the beginning may hold clues to the end.

In the Shemitah of 2007-08, for example, the beginning seemed uneventful. Yet on its opening day, there was a quiet clue that few even noticed. The first major bank collapse in more than 100 years occurred in Britain. This event foreshadowed

the colossal collapse of the global financial system that would take place at the end of the Shemitah year.

As the current Shemitah began last September, Wall Street suddenly began reeling. It quickly stabilized and then gradually continued its ascent. All concerns were forgotten.

“Could it be a foreshadowing of the collapse of America’s economic and financial realms?” Cahn asks.

And there are other potential foreshadowing events that took place last September.

“An earthquake of over 6 on the Richter scale struck America – on Sept. 25 – the very opening day of the Shemitah. Could it be a foreshadowing of future natural disasters?” Cahn wonders.

And the first manifestations of the Ebola virus in America took place on Sept. 25, again on the opening day of the Shemitah.

Still, Cahn tempers his concerns, saying, “We can’t be dogmatic. God doesn’t have to do anything more in this present Shemitah. The dynamics of the Shemitah can manifest more strongly in one cycle and less in another.”

But, he advises, it’s better to be safe than sorry.

‘A great shaking is coming’

“I do believe a great shaking is coming to America – a shaking that will involve the collapse of the financial realm, the collapse of the economy, and a collapse even greater than these. This can take place within the parameters of the Shemitah or beyond, but I believe they are coming,” Cahn said.

Of the last seven cycles of the Shemitah, 100 percent of them have been linked to collapse, he said.

“The phenomenon of the Shemitah has been intensifying. In the last two cycles, the Shemitah’s dynamics have grown stronger in intensity and precision,” he continued. “At the end of the Shemitah 2001, in the month of September, the stock market collapsed in the greatest point implosion in history. The day of its collapse was Elul 29, the very last day of the Shemitah, the same day appointed by God as the day of financial nullification. In exact accordance with the mystery,

in September of 2008, the stock market again collapsed in the greatest point crash in world history, and did so on the very same day, Elul 29, the day appointed in the Bible.”

There have already been several significant events having taken place in this present Shemitah.

As the Shemitah began, in its first week, the news came out that America had been overtaken as the world’s supreme nuclear power. That mantle now belongs to Russia.

“For years, I’ve warned that if America doesn’t return to God, the American age, as we have known it, will come to an end,” Cahn said.

Many historians believe the “American age” began around the year 1871, when the U.S. eclipsed the British Empire as the strongest economic power on earth.

In the second week of the Shemitah, more than 140 years from the 1871 benchmark, America’s crown was removed as the strongest economic power on earth as measured by gross domestic product. It passed to China last September as the Shemitah year opened.

“The American age has come to an end,” Cahn said. “The ramifications of this change in the days ahead will be enormous.”

Moral ‘fall’ and the race toward judgment

One of the meanings of the Hebrew word “shemitah” is “the fall.”

“A fall can come about in many ways,” Cahn said. “In 1973, in the year of the Shemitah, the Supreme Court ruled to make it legal to kill unborn children. That was a fall of a moral and spiritual nature. It was accompanied by the collapse of the financial realm and then the economic realm.”

The current Shemitah appears poised to usher in an equally significant moral fall. As it began in the autumn, the Supreme Court made the decision not to defend the striking down of gay marriage bans across the country. In the subsequent days, the number of states that had struck down the biblical definition of marriage went from a distinct minority, in the teens, to a distinct majority, now at 37. In June of this year, the Supreme Court will issue its ruling concerning marriage.

“It will likely end the historic, traditional, universal, and biblical definition of marriage – the sign of a nation in the midst of a rapid spiritual apostasy and moral fall – the sign of a nation racing toward judgment,” Cahn said. “All this has and will all take place within the parameters of the Shemitah – ‘the fall.’”

Abandoning Israel heaps more judgment

One of the saving graces concerning America’s fall from God is that it has still blessed Israel, Cahn said. But the recent deterioration of relations between the U.S. and Israel is another ominous sign, he said.

“Abraham made covenant promises that those who bless Israel will be blessed and those who curse Israel will be cursed. But now, even in this realm, the signs point to judgment,” Cahn said. “At the same time America is deepening its apostasy from God, we are witnessing the worst deterioration in relations between America and Israel in the history of both countries. The (Obama) administration has promised to reassess its relationship with Israel and has given an implicit threat that it may abandon the Jewish nation in future days. If we abandon Israel or place Israel in danger, should we then be surprised if in future days we find ourselves abandoned and in danger?”

Cahn believes America has been blessed as much as it has blessed Israel and the Jewish people. But if it ever turns away from that, there is no guarantee of blessings. “And to turn away from God and Israel at the same time, is a dangerous combination,” he said.

Cahn said he sees the American financial system as a house of cards – and one that could collapse at any time.

“There’s no single pattern the Shemitah must follow. In the Shemitah of 2008, it was building up, in a series of collapses, to the collapse of the financial realm in September. In the Shemitah of 2001, the collapse came suddenly, almost out of nowhere, with the event of 9/11, which caused the financial realm to implode.”

In the present Shemitah, the final day of Elul 29 will fall on a Sunday, when the stock market is closed. The last day the stock market will be open will be the 14th anniversary of 9/11.

“Another sign we are racing toward judgment is

that the harbingers of which I wrote about in ‘The Harbinger’ have not stopped but have continued to manifest – at the same time the nation descends from God,” he said.

“When I speak of a great shaking coming, some people get scared,” Cahn added. “But we are not to fear. If we belong to God, if He’s first in our life, if we follow Him – there is nothing to fear. On the contrary, I believe that without a shaking, without something to intervene in America’s moral and spiritual implosion, there would be no hope. Through shaking can come revival, among those who will return.”

A nation can be shaken through financial and economic collapse, through natural disasters, through man-made disasters, through the breakdown of a nation’s order and infrastructure, or, as in the case of 9/11, through a terrorist attack.

“When people ask, ‘How can I be safe in days of judgment?’ Or, ‘What should I do to prepare?’ I believe it is wise to have essentials on hand, so that if systems break down, one would be ready,” he said. “Beyond that, the safest place to be is not the Midwest or the South. The safest place is the will of God. And for those who are not saved, the word for safety in Hebrew is Yeshua – the Hebrew word for Jesus. The only safe place to be, is inside Jesus – and to get everything in your life inside of His will.” (WorldNet Daily, Leo Hohmann, May 14, 2015).

America Going Secular?

Christianity is still the dominant religion in America, with seven in 10 claiming affiliation with the belief, but those touting no particular religion – the “nones” – are rapidly taking over the country.

The number of “nones” has grown to 56 million, a Pew Research Center study released Tuesday found.

Pew conducted two surveys between 2007 and 2014 on religion in America and discovered the number of Americans who claim atheism, agnosticism, or no particular faith grew from 16 percent to 23 percent. During that time frame, the number of Americans laying claim to Christianity fell from 78 percent to 71 percent.

Protestants are now only 47 percent of the country, a massive decrease in recent years, Pew found. By

the numbers, Protestants decreased by five million, to 36 million, between 2007 and 2014.

“The findings point to substantive changes” said Greg Smith, Pew’s associated research director, in the Associated Press.

Among one noted change: Those with no religious affiliation or belief trend Democratic. Conversely, white evangelicals typically vote Republican, Pew said.

The survey of 35,000 people is called “America’s Changing Religious Landscape” and has a margin of error of plus or minus 0.6 percent.

It notes: “The drop in the Christian share of the population has been driven mainly by declines among mainline Protestants and Catholics. Each of those large religious traditions has shrunk by approximately three percentage points since 2007. ... And the share of Americans who identify with non-Christian faiths also has inched up, rising 1.2 percentage points, from 4.7 percent in 2007 to 5.9 percent in 2014. Growth has been especially great among Muslims and Hindus, albeit from a very low base.” (WND, Cheryl Chumley, May 14, 2015).

North Korea Submarine Could Fire Nuclear Missiles at U.S. in 2 Years!

Dictator Kim Jong-un was pictured watching the offshore test launch at the weekend, which came just days after the volatile and secretive nation threatened to attack sworn enemy America with nuclear weapons.

South Korean officials claimed the communist country could perfect the devastating ballistic missile technology – with capability of reaching US mainland from an undetectable distance – within two to three years.

Kim Min-seok, South Korea’s defence ministry spokesman, said: “We urge North Korea to immediately stop developing submarine-launched ballistic missiles which hinder the stability of the Korean peninsula and Northeast Asia.”

He said its isolated neighbour still needs time to develop additional equipment for the missile launcher to be fully operational.

Yang Uk, a senior research fellow at the Korea

Defence and Security Forum and a policy adviser to the South Korean navy, added: "They need to build a new, bigger submarine."

However, an anonymous defence official in South Korea said the timeframe could be as little as two years and up to a maximum of five.

Both the United States and Japan reserve rights to conduct pre-emptive strikes on North Korean missile sites if a nuclear attack is viewed as imminent.

Launching missiles from submarines could enable Pyongyang to hide them.

It was first reported by the communist nation's official news agency on Saturday that the country had successfully launched a rocket from a submarine.

Images showed a delighted Kim watching from nearby.

The test meant North Korea had broken a United Nations sanction which banned it from using ballistic missile technology.

They added the particular weapon used would have a maximum reach of around 1,500 miles which would require a submarine to be at sea for around 60 to 90 days for it to be at a close enough distance to pose a threat to America. (Daily Express, Rob Virtue, May 12, 2015).

Jihadists Coming to U.S.? They're Already Here!

With threats on the American homeland from ISIS leaders, the nation's southern border scandalously unguarded, ever-increasing Islamic subversion within the U.S., and growing concerns among citizens over terror attacks – now there's this.

Scattered across the United States, rarely publicized by the "mainstream" news media, are three dozen Islamic terrorist training compounds, according to a powerful film documentary. Under the leadership of a radical Pakistani cleric, Sheikh Mubarak Gilani, his U.S.-based group called "Muslims of the Americas" has thousands of devoted followers who, claims the documentary, are being groomed for "Homegrown Jihad."

In never-before-seen video footage, a DVD titled "Homegrown Jihad: The Terrorist Camps Around the U.S." exposes these dangerous jihad-training compounds and reveals a secret training tape in which American Muslims are recruited to "join one of the most advanced training courses in Islamic military warfare" ... right here in America!

They are called "Soldiers of Allah" and they are trained in explosives, kidnapping, murder, firing weapons and guerilla warfare, says the filmmakers. And they are told, "Act like you are a friend, then kill him just like from the book."

Declassified FBI documents confirmed the existence of one such Islamic jihadist enclave in Texas, part of the same U.S.-based network of training camps, and identified by the Department of Homeland Security as connected to a terrorist organization. The Texas enclave belongs to Muslims of the Americas, which is linked to the Pakistani-based militant group Jamaat al-Fuqra, according to an investigation by the Clarion Project and ACT! For America Houston.

Jamaat al-Fuqra was founded in New York in 1980 by Gilani, who at one time was in Pakistani custody in connection with the abduction of Wall Street Journal reporter Daniel Pearl. Pearl was later beheaded by Khalid Sheikh Mohammed, whom the "9/11 Commission Report" identified as "the principal architect of the 9/11 attacks."

"Muslims of the Americas" claims it has a network of 22 "villages" around the U.S., with headquarters at an encampment in the Catskill Mountains near Hancock, N.Y., called Holy Islamberg, as WND has reported. An investigative report at the time found neighbors of Islamberg were deeply concerned about military-style training taking place there and frustrated by an apparent lack of attention from federal authorities.

WND also has reported that Jamaat al-Fuqra has collaborated with major terrorist organizations, including Hezbollah and al-Qaida.

The FBI describes the compound in Texas, called Mahmoudberg, as an “enclave” and “communal living site.” Located in Brazoria County along County Road 3 near Sweeny, Texas, it was discovered by the FBI through a tip from an informant in New York, according to the Clarion Project.

The Texas commune, in a heavily wooded area, is estimated by a local resident who spoke to ACT researchers to encompass about 25 acres. It dates back to the late 1980s, the resident said, which is confirmed by the FBI documents.

The FBI reported in 2007 that one commune resident formerly was a leader at the Muslims of the Americas compound in Badger, Calif., called Baladullah. In March 2001, a Baladullah member had been arrested for transporting guns between New York and South Carolina. Another was charged with murdering a police deputy that caught him breaking and entering a home. The declassified FBI documents show that the enclave is not the only affiliate of the organization that has operated in the state.

A 2003 FBI report states that investigation of MOA "is based on specific and articulate facts giving justification to believe they are engaged in international terrorism."

Last year, Muslims of the Americas filed a lawsuit against the nonprofit Christian Action Network for defamation and libel after CAN's publication of the book “Twilight in America: The Untold Story of Islamist Terrorist Training Camps Inside America.”

The book accuses Muslims of the Americas of “acting as a front for the radical Islamist group Jamaat al-Fuqra.”

Much of the book is based on the investigation of a former NYPD undercover informant who spent eight years posing as a member of the group.

The authors of the book, Martin Mawyer and Patti Pierucci, told Fox News they welcome the lawsuit because it will expose the Islamic group's activities.

Beltway sniper John Muhammad also has been tied to the group, and there is circumstantial evidence that links it to Oklahoma University bomber Joel Hinrichs.

Joseph Bodansky, the former director of the Congressional Task Force on Terrorism and Unconventional Warfare, has affirmed Jamaat al-Fuqra operations in the U.S. have been known to the FBI and CIA for decades. (WND, May 15, 2015).

ISIS executes Syria civilians, including nine children, in ancient Palmyra

BEIRUT (AFP) - Extremists from the Islamic State in Iraq and Syria (ISIS) militant group executed at least 23 civilians on Friday as they advanced towards Syria's ancient desert metropolis of Palmyra, a monitoring group said.

The Syrian Observatory for Human Rights said nine children were among the 23 shot dead by ISIS militants near the Unesco world heritage site.

“The Islamic State group executed by gunfire 23 civilians, including nine children, in the village of Amiriyeh, north of Tadmor,” Observatory chief Rami Abdel Rahman told AFP.

Palmyra, which means City of Palms, is known in Arabic as Tadmor, or City of Dates.

Abdel Rahman said family members of government employees were among those murdered.

As the Britain-based Observatory reported the militants had advanced to within a kilometre (less than a mile) of Palmyra, Unesco chief Irina Bokova said the world body was “very worried”.

“It is our responsibility to alert the (UN) Security Council so that it will take strong decisions” to protect the famed 2,000-year-old desert oasis site featuring Roman colonnades and an impressive necropolis, she said in Lebanon.

ISIS would see such cultural treasures as targets, after the group was filmed destroying the Iraqi archaeological sites of Nimrud and Hatra.

Bokova said it was important to work “against extremism, against this strategy of eradicating... our collective memory”, referring to ISIS' destruction of archaeological treasures in Iraq and Syria.

Syria's opposition National Coalition said ISIS would be committing “a crime against civilisation” by destroying Palmyra, and accused the regime of not doing enough to protect the ancient city.

Syria's army sent reinforcements to Palmyra on Friday.

“The army is bombing the surroundings of Tadmor from the air,” said Abdel Rahman. “Islamic State group jihadists are now one kilometre” from the ruins.

SITUATION ‘UNDER CONTROL’

Since the ISIS offensive began early Wednesday, more than 138 combatants – 73 soldiers and 65 militants – have been killed.

Before the latest killings, there were reports of at least 26 civilians executed by ISIS, including 10 by beheading, for allegedly collaborating with the regime, the Observatory said. (*The Straits Times*, May 20, 2015).

NEW DISCOVERY REVEALS:

The “God” of the Antichrist Is Directly Named in the Bible, and His Name Is “Allah”!

On the quest to find out the name of the god of the Antichrist, so few see the obvious: “But he shall worship the god *Maozim* in his place: and a god whom his fathers knew not, he shall worship with gold, and silver, and precious stones, and things of great price” (Daniel 11:38, *The Douay-Rheims Catholic Bible*).

The ticket to finding the name of the god of the Antichrist has been etched from time immemorial by the prophet Daniel: *Maozim*, which will also reveal the religion of Antichrist as well: Islam.

Maozim is both a *literal name* and as in all semitic names, also has meaning (which the other translations state) also applies: “defense,”

“fortress,” “fortresses,” “helmet,” “protection,” “refuge,” “safety,” “strength,” “strong,” “stronghold,” and “strongholds” (see Strong's Concordance).

Any doubting Thomas can plug in any search engine “*Allah Al-Mu'izz*” can examine, not just that this is one of the names of Allah, but is also the same meaning which exactly matches the hebrew *Maozim*.

Indeed, he is *Maozim (Al-Mu'izz)*, for the Antichrist “honors a God of fortresses,” who is a God of war and the sword while his name, literally in Hebrew, *Moazim*, a semitic name, is also in the Arabic *Al-Mu'izz (Allah Al-Mu'izz* *الله المولى*) is one of the ninety nine official names of Allah in Islam and *Maozim* also has the exact meaning in the Arabic: “to be mighty, potent, strong, powerful ...”

Nathaniel West in his *Daniel's Great Prophecy*, one hundred and seventeen years ago (1898) gets it when he wrote:

“*Allah Maozim*’ the god of fortresses or strongholds, placing here his confidence, whether in the strongholds of the Orontes, Nile, Euphrates, Tigris, or Bosphorus, — in Syria, Egypt, Macedonia, or Asia Minor, — (the parted empire of Alexander) — honoring “Allah” with “gold, silver, precious stones, and costly things, — a god unknown to his ancestors and whose religion he would propagate by the sword, procuring for his strongholds garrisons of people who acknowledged his strange god, increasing them with glory while putting to the sword all others, causing them to rule over the many, and because needing money for war, dividing the land he conquers, for the sake of gain.” This the meaning of this difficult verse. Such the three great characters of “the King”: The first was not seen in Antiochus to the extent here predicted. The second was seen, in his butchery of infants in Jerusalem, his treatment of the Maccabean mother and her sons, and his inhuman conduct everywhere. The third was seen in the confidence he placed in fortresses, and in the propagation of his religion by the sword. But yet, the full reality of all awaits the future and the final Antichrist.” (Nathaniel West, *Daniel's Great Prophecy*, page 176, (1898)

The Antichrist, according to West, is a man who stems from “Alexander's Kingdom”. It is not Europe as some Protestant prejudices proclaimed.

The issue of Antichrist should not divide, but unite us while we disagree on matters of theology. The Antichrist is one who establishes “strongholds of the Orontes, Nile, Euphrates, Tigris, or Bosphorus, — in Syria, Egypt, Macedonia, or Asia Minor” and is one who advances the glory of “*Allah Maozim*” or in Arabic, “*Allah Al-Mu’izz*”.

The oldest reference to “Allah” according to Kenneth J. Thomas, was discovered in Northern and Southern Arabia, the cradle of Allah and Islam, dating as far back to the fifth century B.C. The beginning of the *Epic of Atrahasis* describes Allah as how all of the gods labored endlessly in grueling work, under the rule of the patron deity Enlil or Elil. But as Lucifer’s rebellion, revolted and was one deity of “violence and revolution” named Allah (spelled by the experts as Alla), as the following inscription recounts:

Then Alla made his voice heard and spoke to the gods his brothers, ‘Come! Let us carry Elil, the counselor of gods, the warrior, from his dwelling. Now, cry battle! Let us mix fight with battle!’ The gods listened to his speech, set fire to their tools, put aside their spades for fire, their loads for the fire-god, they flared up. (Atrahasis, tablet i, OBV i, i-ii, trans. Stephanie Dalley, in her Myths from Mesopotamia, p. 10, underline mine.) (Walid and Theodore Shoebat, May 16, 2015).

Christian Air Force General May Face Court-Martial Due to Faith

An Air Force general who recently spoke about how God has guided his career should be court-martialed, a civil liberties group has claimed.

Major General Craig Olson used a speech at the National Day of Prayer Task Force event on May 7, to credit God for his accomplishments in the military, referring to himself as a ‘redeemed believer in Christ.’

The address prompted the Military Religious Freedom Foundation (MRFF) to launch a vitriolic attack of Maj Gen Olson, calling for the two-star general to be court-martialed and ‘aggressively and very visibly brought to justice for his unforgivable crimes and transgressions.’

As reported by *Air Force Times*, the group authored a letter to Chief of Staff General Mark

Walsh, arguing that Olson's speech violates rules within the Air Force prohibiting airmen from endorsing a particular faith or belief.

Posted on the group's website, the letter states: ‘This demand letter is sent to you on behalf of countless members of the United States Air Force who are utterly disgusted and shocked by the brazenly illicit and wholly unconstitutional, fundamentalist Christian proselytizing recently perpetrated, on international television (‘GOD TV’), and streaming all over the Internet and in full military uniform, by USAF Major General Craig S. Olson on Thursday, May 7, 2015 during a VERY public speech for a private Christian organization (The ‘National Day of Prayer Task Force’: NDPTF) headed up by Focus on the Family founder, Dr James Dobson's, wife Shirley Dobson.’

The group wants Maj. Gen Olson investigated and punished ‘to the full extent of the law’.

The group also wants other service members who helped Olson to be investigated.

During Olson's 23-minute talk, Maj. Gen Olson spoke of ‘flying complex aircraft; doing complex nuclear missions — I have no ability to do that. God enabled me to do that.’

‘He put me in charge of failing programs worth billions of dollars,’ Olson said. ‘I have no ability to do that, no training to do that. God did that.’

‘He sent me to Iraq to negotiate foreign military sales deals through an Arabic interpreter.’

Saudi Arabia ‘to Buy’ Pakistani Nukes As Arms Race Escalates

Senior Western sources told The Sunday Times Saudi Arabia has decided to become a nuclear-weapons state.

Saudi Arabia will purchase nuclear weapons from Pakistan, according to a former U.S. Defense official.

Speaking to Britain’s *The Sunday Times*, the unnamed official said: “There has been a longstanding agreement in place with the Pakistanis and the House of Saud has now made the strategic decision to move forward.”

Saudi Arabia, which financed much of Pakistan's nuclear program, will buy nuclear weapons "off-the-shelf."

On May 11 an Arab leader told *The New York Times* "We can't sit back and be nowhere as Iran is allowed to retain much of its capability and amass its research."

It is not yet known whether Saudi Arabia has already bought nuclear weapons or is merely planning to do so. However, the news seems to realize fears of Obama's nuclear deal in the making with Iran triggering a regional arms race.

Egypt's President Abdel Fattah el Sisi concluded a deal with Russia's Vladimir Putin to build *Egypt's first nuclear power plant in February*. It is speculated that Turkey may soon follow suit and begin to pursue its own nuclear ambitions.

A senior British military officer backed up the claims saying Western leaders "all assume the Saudis have made the decision to go nuclear."

He said "The fear is that other Middle Eastern powers — Turkey and Egypt — may feel compelled to do the same and we will see a new, even more dangerous, arms race." (The Clarion Project, May 18, 2015).

Bachmann Versus Obama and "the End of the World"

The "mock Michele Bachmann for her religious beliefs" train ride seems to be gaining passengers among those on the left.

And now even the president of the United States has jumped aboard, making Bachmann the butt of his jokes during Saturday's White House Correspondents Dinner.

Bachmann, the former four-term Republican congresswoman from Minnesota, criticized Obama earlier this month for his support of a framework agreement with Iran that she says will lead to war and bring judgment on America.

Obama took her to task in a half-joking, mocking tone.

"Michele Bachmann actually predicted I would bring about the biblical end of days," Obama told the correspondents, who erupted in roaring laughter. "Now that's a legacy. That's big. I mean Lincoln, Washington, they didn't do that."

Bachmann had made her comments about Obama in a recent interview with Jan Markell of Olive Tree Ministries on her show, "Understanding the End Times."

Bachmann was unfazed by Obama's snarky comeback.

"The Bible is filled with exciting information about living life today and in the future, both in this life and in the life to come," Bachmann told WND. "Any message that brings people closer to God's wonderful plans for our lives is a good thing.

"God's word is true and brings freedom and wholeness to all who read it and believe in Him."

When the progressive media heard Obama's mocking of Bachmann, they dutifully took his cue and heaped more invective on the former congresswoman.

Shawn Drury, senior editor for Blue Nation Review, chimed in with an abusive article titled "Armageddon is Upon Us Because of Obama, Gays." MSNBC, Huffington Post and others followed suit.

Huffington Post writer Marina Fang, reported uncritically the Obama line that his negotiations with Iran are "meant to prevent the country from developing or obtaining nuclear weapons."

"Obama has said repeatedly that the goal of the nuclear talks with Iran is to prevent the country from developing a nuclear weapon," Fang reported, adding that "Bachmann also blamed abortion and gay marriage, arguing that God is punishing the United States for 'embracing a pagan view.'"

As WND previously reported, in just the last month Obama's administration rejected a plea from Israel that that nation's right to exist be acknowledged in any nuclear agreement with Iran; abruptly declassified Israel's nuclear program secrets, revealing never-before released details

about the Jewish state's defenses to its enemies; publicly indicated America's abandonment of Israel by suggesting it would no longer defend Israel in the United Nations; and prompted Hollywood star Jon Voight to declare: "President Obama does not love Israel. His whole agenda is to control Israel. And this way, he can be friends with all of Israel's enemies."

Christian leaders weigh in

Joel Richardson is a Bible teacher, author and documentary filmmaker.

Author, Bible teacher and documentary filmmaker Joel Richardson recently returned from a missionary trip to Iraq and has seen firsthand the misery that Obama's foreign policy has unleashed upon Christians, Yazidis and other religious minorities.

"Rarely has this nation witnessed the kind of hubris, arrogance and callousness as we did at the President's Correspondents Dinner. President Obama and his left-wing supporters in the media think it is absolutely hilarious that his policies could have fostered in an apocalyptic atmosphere in the earth," said Richardson, author of New York Times-bestseller "The Islamic Antichrist" and director of the film "End Times Eye Witness."

"But having only recently returned from Iraq to minister to dozens of families displaced from their homes by ISIS, I can most certainly testify that for them (there are now over 2 millions refugees and displaced peoples across the region) the end of their previous world has indeed arrived," he continued. "Instead of laughing and mocking, our president and his supporters should be weeping because of the unfathomable agony and chaos that his foreign policy through the Middle East has produced."

But Richardson said the Iranian regime with which Obama has been negotiating might just as well be called "Armageddon Incorporated" for its apocalyptic views based on its interpretation of the Quran.

"While President Obama obviously takes Congresswoman Michele Bachmann's comments very seriously, he scorns the notion that we should be at all concerned by the Iranian regime and their absolute fixation with the end times, including the

end of Israel and the United States," Richardson said. "But instead of taking them seriously, the president has flung wide the door for them to actually acquire nuclear material and missiles. The mass executions, beheadings, kidnappings and rape that have all come to the world as a result of the president underestimating ISIS are nothing compared to the loss of life and chaos that will be unleashed because of his underestimating the Islamic Republic of Iran."

Christian author Carl Gallups said he has a healthy appreciation for humor, but he finds the lengthy track record of Obama disrespecting Christians to be "unnerving."

"I am rarely offended by good humor, especially upon consideration of the context in which it is spoken. But I think what is unnerving about Obama to so many Christians is his consistent mocking of Christianity, the scriptures, the basic Christian message, and even the Judeo-Christian heritage of America. A quick search on Google reveals the veracity of these concerns," said Gallups, author of "The Final Warning: Understanding the Trumpet Days of Revelation."

Gallups further stated:

At the same time Obama engages in these activities, he props up partial birth abortion, the destruction of the defense of marriage act, homosexual marriage and, what many believe to be, turning his back on and even threatening Israel and its leadership. Each of these issues are core to the contextual biblical message of the Christian faith.

At the same time, many of Obama's critics have noted that he completely shies away from anything that even comes close to mocking the Islamic faith. As a matter of fact, he sometimes takes the position of being an ardent apologist for the Islamic faith and has called the Islamic call to prayer (the Azan) "one of the prettiest sounds on earth." He has written and spoken profusely about his Islamic heritage and affinity towards that faith system – all the while claiming to be a "Christian." (World Net Daily, April 27, 2015).

Ask the Expert

In today's "Ask the Expert" cartoon, I pose a question that more and more people are asking. I, personally, have not been able to decide on my answer. . . So I "asked" my cartoon Mideast "expert". The punchline of the cartoon leaves our Expert trying to decide on HIS answer, So what do YOU think? What's YOUR answer to this nagging question?

ANSWER: "You will know them by their fruits. Do men gather grapes from thornbushes or figs from thistles? Even so, every good tree bears good fruit, but a bad tree bears bad fruit. . . Therefore by their fruits you shall know them" – so said Jesus Christ – Yeshua Ha Moshiach (Matt.7:16-20).

Who Are America and Great Britain in END-TIME Prophecy?

Are the United States and Great Britain mentioned in the Bible? If so, under what names? What is the real evidence of our national heraldic emblems and symbols? Where do we *really* come from? Could we be totally ignored?

Millions have been mystified, and perplexed about our ancient pedigree. Who are we descended from? Believe it or not, the ancestors of the English speaking peoples of the world *are found throughout* the pages of Scripture. But our true IDENTITY has been SEALED – hidden from view until *NOW!* Who are we – really? How has this knowledge been lost through the centuries?

The United States and Britain are *often* mentioned in END-TIME Bible prophecies! But most people don't understand WHO IS WHO! The world has been in TOTAL ignorance of the amazing prophecies in the Bible about EPHRAIM! The whole book of Hosea the prophet seems to FOCUS on this people! But WHO ARE THEY? Ephraim now stands IDENTIFIED in the world today AS AMERICA! Great Britain stand identified as the people of "Manasseh"! Here is the astounding Biblical PROOF!

The annual Festivals and Holy Days of God are revealed in the Scriptures and spelled out in Exodus 12-14, Leviticus 23, and Numbers 28-29, and mentioned in many other Scriptures as well. Why did God create them? Why did He give them to us? Are they meant as lessons and learning tools for both Jews and Christians, the “people of the book”? Are there vital lessons hidden within the Holy Days that we ought to explore?

The Mystery of God's Holy Days Stands REVEALED!

The real meaning and significance of God's annual Holy Days is mind-boggling and awesome to contemplate. Mankind has been BLINDED to their brilliance and dazzling, stupendous and profound meaning. Christians and Jews alike need to revisit the annual Holy Days and study into this amazing subject that unlocks the MYSTERY OF THE AGES. Here is a listing of chapters from this new book by William F. Dankenbring.

<i>Foreword</i>	<i>Should Christians, as Well as Jews, Observe God's Holy Days?</i>	6
<i>Preface</i>	<i>What's All This about "Moadim"?</i>	7
<i>Chapter 1</i>	<i>God's Holy Days or Pagan Holidays – Which?</i>	9
<i>Chapter 2</i>	<i>The Mystery of the Exodus – the Ten Plagues</i>	17
<i>Chapter 3</i>	<i>The Exodus Revisited – Crossing the Red Sea</i>	30
<i>Chapter 4</i>	<i>The Mystery of the Passover</i>	43
<i>Chapter 5</i>	<i>The Mystery of Leaven</i>	70
<i>Chapter 6</i>	<i>The Mysterious Events of 30 A.D.</i>	86
<i>Chapter 7</i>	<i>When Should We Observe the Passover?</i>	91
<i>Chapter 8</i>	<i>The Mystery of "Ben Ha Arbayim"</i>	114
<i>Chapter 9</i>	<i>Mystery of the New Testament Passover</i>	128
<i>Chapter 10</i>	<i>The Mystery of the Book of Jubilees</i>	139
<i>Chapter 11</i>	<i>Mystery of the Quartodeciman Controversy – When Did the Early Church Observe Passover?!</i>	149
<i>Chapter 12</i>	<i>The Mystery of Sefirat Ha Omer</i>	160
<i>Chapter 13</i>	<i>The Mount Sinai Mystery</i>	182
<i>Chapter 14</i>	<i>Pentecost – a Day of Awesome Revelation</i>	194
<i>Chapter 15</i>	<i>The Astounding Mystery of Pentecost</i>	216
<i>Chapter 16</i>	<i>"Deuteroproton" and the New Testament Proof of Pentecost!</i>	249
<i>Chapter 17</i>	<i>Is a Sunday Pentecost Pagan in Origin?</i>	263
<i>Chapter 18</i>	<i>Who Were the Sadducees and Pharisees?</i>	278
<i>Chapter 19</i>	<i>The Mystery of the Feast of Trumpets</i>	301
<i>Chapter 20</i>	<i>The Awesome Mystery of Yom Kippur</i>	315
<i>Chapter 21</i>	<i>The Mystery of the Azazel Goat</i>	324
<i>Chapter 22</i>	<i>Sukkot – the Feast of Our Boundless Joy</i>	339
<i>Chapter 23</i>	<i>Building Your Sukkah</i>	361
<i>Chapter 24</i>	<i>The Awesome Mystery of the Lulav</i>	372
<i>Chapter 25</i>	<i>The Great Mystery of Hoshana Rabbah</i>	394
<i>Chapter 26</i>	<i>The Mystery of Shemini Atzeret – the Eighth Day</i>	406
<i>Chapter 27</i>	<i>The Mystery of the Holy Days Decoded</i>	421
<i>Chapter 28</i>	<i>Why Were YOU Born?</i>	436

Come to the Feast of Tabernacles 2015 in Omak, Washington!

September 29-October 7

Feast of Tabernacles

This may be the most important Feast ever in modern times. It occurs at the end of a Shemitah year of release, a Sabbatical year of “rest.” It could be the final feast before the Great Tribulation starts in earnest. It is the time of the final Blood Red Super Moon eclipse of the tetrad of eclipses occurring at Passover and Sukkot, during 2014 and 2015. The Feast of Trumpets, or Yom Teruah, is also the day of a solar eclipse. These heavenly “signs” are harbingers of things to come!

Join us for the Feast of Tabernacles this year in Omak, Washington. Feast Address: 141 Johnson Creek Road. Camping available. Many motels to select from. Services will be held daily throughout the Feast. The afternoon meal will be held together, family style. Besides the regular spiritual feast, we will have the sukkah dwelling experience, lulav waving and praising God, and informal Bible Studies, fellowship, and beautiful music. Join us for a wonderful, uplifting spiritual experience of a lifetime. Contact us at 509-826-7997 for reservations and information. Or email us at triumphpro@aol.com.

Omak, is a picturesque, old-fashioned cowboy and western town, on the east side of the Cascade mountains sixty miles south of Canada, with the beautiful Okanogan River running through it. Omak is a spectacular site to “get away from it all” and congregate together to worship and rejoice before God!

We will keep the Feast as GOD COMMANDED – we will expound and teach what God commands – “that your generations may KNOW that I made the children of Israel to *dwell in booths*, when I brought them out of the land of Egypt” (v.43). We will build lovely “sukkot” dwellings for fellowship and spiritual enjoyment as God commanded.

We will wave the “lulavs” – “the boughs of goodly trees, branches of palm trees, and willows of the brook” (verse 40), and “REJOICE before the LORD” (same verse)! There will also be messages on Christian living, overcoming, Biblical doctrine, and Bible prophecy and the coming Kingdom of God! Bring your shofars and lulavs and hearty appetites for God’s Truth and good spiritual fellowship and feasting! And we will “*REJOICE*” with “*joy unspeakable and full of glory*”!

In these times of deadly peril, growing world troubles, and onrushing planetary crises, with Great Tribulation beginning to stir and blow, God’s people need to get together, fellowship, and be instructed on what to do and how to prepare for coming hard times. “Omak” in the Indian language means “Good Medicine.” The Feast will be “good medicine” for your heart, mind, body, soul, and spirit!

Fall Festivals and Holy Days

Does it really matter when we observe God’s annual Holy Days? Does it matter if we are just a few days off? There is an old saying, “Close only counts in horseshoes and hand grenades.” But does it really matter if we get God’s days right?

The Word of God tells us we should observe His annual Feast Days as “holy days to the Lord” (see Leviticus 23). But how do we know when they occur? What calendar should we use? The Biblical holy days are obviously based on the Biblical calendar – the original calendar God gave to Moses and Israel. Only a few really understand the Jews replaced the original calendar in 357-358 A.D. due to Roman persecution, and substituted a mathematical construction in its place – based on the periodic movements of the earth, moon and sun over the course of the 19-year time cycle. This was an astounding feat – but only accurate up to a point, and cannot really replace true observation of the new moons, upon which the months are based. Besides this fact, the Jewish rabbis added various “traditions” and additions to the calendar, thus deviating from God’s original instructions.

God’s true calendar begins the months with the New Moon sightings in Israel. The New Moon for the month of Tishri this year is uncertain due to its visibility being borderline. It could be seen on September 14, but it would be very difficult. Visibility would be easy on Tuesday, September 15, however. Therefore, the following charts show the possible dates when the autumn holy days and festival will occur, depending on when the New Moon is actually seen in Israel. See our articles on the “What Is the Biblical New Moon?” and “What about Local Sightings and Potential New Moons?”

<p><i>New Moon Borderline Possible.</i> LUNACAL Forecast:- The New Moon first appears on Monday 14th September 2015 between 18:52 and 19:25 provided that it is not cloudy. It is very difficult to see, ease of visibility 0.2. Probability of visibility, 23% of testimony 56%.</p>	<p>NEW MOON CERTAIN. LUNACAL Forecast:- The New Moon first appears on Tuesday 15th September 2015 between 13:35 and 19:04 and fades between 19:16 and 19:59 provided that it is not cloudy. It is easy to see, ease of visibility 1.2. Probability of visibility, 98% of testimony 99.8%.</p>

Letters from Readers

“Having recently received my first issue of Prophecy Flash I must send a note of thanks. The timing and content was truly a God-send. It answered a question I have been tossing back and forth for quite some time, but especially the last few weeks. My story is perhaps long and even complicated, and I’m sure it would take more than one sitting to fully explain. Suffice it so say, I was exposed to the teachings of H. W. Armstrong some 30 years ago as a young believer. I was also exposed to all the doctrines of ‘mainstream Christianity’ as well. It did make for a slightly confused young Christian, but over the years God has taught me the truth of His Word. I was never a member of WWC or any of its splinters. I did hear about the churches ‘Exodus’ back into mainstream doctrines and it caused me to ponder the reliability of and truth of ‘any’ denomination. For awhile I did not trust any church but I never rejected God and still searched for truth.

“The articles you’ve sent over the past few months have been extremely informative, and have ‘fine tuned’ my understanding of some familiar doctrines and confirmed my understanding of other beliefs gained through personal study of God’s Word. I still have much to learn and will continue to look forward to your articles and Prophecy Flash issues . . .

“Now as for the question I mentioned at the beginning of this letter, although I know the fallacy of the doctrines taught in mainstream churches I also crave fellowship with others who love God, but I tire of hearing all the false doctrines coming from the pulpits. I am presently incarcerated for a parole violation on a crime I committed as a young man. There is only one ‘Christian’ option for services (unless you are a Catholic – which to me is not even an option). I have been going to Thursday night services because I need to at least be around others who at least are trying to seek God. I refuse to attend Sunday morning services and am considered the worst of heretics if I even mention the keeping of the Sabbath. I do keep it as best I know how, but since I’ve not found anyone else of like mind, it is rather lonely. When I am released I hope to

have more opportunity to share the Sabbath with other believers or at least to tune in to your website for Sabbath services. The article APOSTATE! What Is the Real Synagogue of Satan?’ has convinced me I no longer need to expose myself to that heresy. I’m pretty bold about my beliefs and it does drive people away (especially my ‘Christian’ friends), but I have decided, like Joshua did (24:15), ‘As for me and my house, we will serve the LORD.’ Thank you for that article (s) and I look forward to the next issue.”

-- Texas

“First and foremost, I would like to just say God is Good. I have recently made the decision to give my life to the Alpha and Omega, the beginning and the end, God. I can honestly say my thought process is different, my outlook on reality is different, I have been given the greatest gift any human being could receive which is the gift of ‘eternal life.’ God is Good and all the time God is Good.

“I have been reading your material and would like to receive the Prophecy Flash – anything that would help me gain knowledge and wisdom and anything that would help me to draw closer to God would be greatly appreciated. I enjoy reading your material. I would like to say thank you for everything your ministry does for us inmates here in Texas and all around the world. It means a lot to know that somebody out there cares for us. Thank you for your time and undivided attention. Please keep me in your prayers and may God bless.”

-- Texas

“Please renew me for another year so that I will be blessed by your wonderful insights and hard work to help build our Holy father’s Kingdom Come, while so few even attempt to in this dark time in America’s history! We are a better people through a connection of life giving knowledge and you’re a key link to our light in Department of Corrections darkness and lonely days. While here in this fools’ dungeon few even seek Christ’s promises but with such evil we become more as our Master commanded us

to be. Your publication is a great light in total and absolute darkness. God is Great and as we grow in His Image we will shine brighter and brighter. Thank you all who take such good care of us to bring forth our heavenly Father's Plan and Design. It matters!

"Maybe this is said time and again, but you as a ministry make the darkness run from us so no matter if we are on this side of the fence or that means nothing to our all merciful God. God is looking upon all you are doing and His smile is upon all you do, so thank you and never will this man ever look back to the lies of the enemies' false design and not just laugh at how this is going to backfire on them all! Evil is done and righteousness is all that will be allowed in our God's Perfect Plan for His Future. We'll serve and as we move toward Eternity and wickedness is just stunted until it is no more, we will have each other and Jesus Christ's life to lead us. Victory was secured when our foe foolishly believed they could silence our Master! As this past 7 years of being allowed your great knowledge to flow through my body like life giving blood. Now demons run the other direction when they see the light rekindled with your help and guidance! Satan be gone, and gone he is, never will any evil defeat God and I'm on His Side! You've reminded me of this over and over – thank you!"

-- Colorado

My Recent Fiery Trial

"Dear Friends and Brethren,

"This is the story of my recent heart attack experience which is written in the hope that others may take encouragement from it.

"On the Sabbath 28th March I had been for my usual early morning walk, had some breakfast with Barbara, then visited my elderly mother who is 95, in her sheltered accommodation where she lives completely independently. While there I suddenly felt light-headed and passed out for a few seconds. My mother then dialled 999 and by the time the ambulance arrived I had come round and was sitting up trying to make sense of what had happened. After doing various tests, the ambulance paramedics took me to the local hospital in Blackburn, accompanied by Barbara, for further tests and observation.

On Monday 30th March while in Blackburn hospital, I suffered a major heart attack and cardiac arrest, with CPR and shock needed to restart my heart. I was then transferred by ambulance to Blackpool hospital, which is the major cardiac hospital in the north of England.

"On Tuesday 31st March I underwent emergency double bypass surgery to the lower heart. Although the surgery went well, I suffered another cardiac arrest a few hours after the surgery, but this is not uncommon apparently after open heart surgery. During this time I recall feeling almost semi-detached from events. I knew something was happening to me, but it almost seemed as if I was with another person watching a performance which involved me. Scriptures vividly flashed into my mind;

" 'Beloved, do not think it strange concerning the fiery trial which is to try you, as though some strange thing happened to you; but rejoice to the extent that you partake of Christ's sufferings, that when His glory is revealed, you may also be glad with exceeding joy.' 1 Peter 4:12-13.

"I remember myself shouting out (in my mind or spirit); 'This fiery trial is not strange and I know why I have to go through it and I accept it. This is Passover week and whatever I have to go through is as nothing to what Christ went through for me.'

"Another scripture I recall vividly flashing into my mind meant for me personally was; *'Humble yourself under the mighty hand of God that He may exalt you in due time.'* 1 Peter 5:6.

"Whether or not these scriptures were actually spoken I cannot really say, but they were certainly very vivid in my mind at the time.

"During the recovery process, while drifting in and out of consciousness it was very difficult to pray. I do remember going over and over the Lord's Prayer in my mind, and also the beautiful verses of the 23rd Psalm especially; *'Yea though I walk through the valley of the shadow of death, I will fear no evil; for you are with me; Your rod and Your staff, they comfort me.'*

"I have been through the valley of the shadow of death and firmly believe that the Lord guided me safely through.

“After the heart surgery, I was making such good progress that the hospital decided the best place for me to recuperate was at home so on Sunday 5th April (1st Day ULB) I was discharged from hospital. Having just missed out on the Passover Seder the evening before, I started making plans with the family for keeping the second Passover a month later.

“Now at this stage I thought the ordeal was over, but only two days later on Tuesday 7th April, I was returned to Blackpool hospital cardiac unit for observation after suffering a dizzy spell and passing out momentarily.

“On Sunday 12th April I had my 3rd cardiac arrest in hospital. The medical staff put this down to my erratic and irregular heart rhythm, which they had been monitoring carefully for a few days. I had further tests over the next few days and the conclusion was that the bypass surgery and heart were basically in good condition, the major problem being the occasional heart arrhythmia.

“On Thursday 16th April I had a pacemaker fitted to correct the heart arrhythmia, which surprisingly is a relatively quick and straightforward procedure.

“On Friday 17th April I was discharged and sent home to recover from the ordeal.

“After 3 cardiac arrests in hospital, and being in the right place for each event, I feel a profound sense that my life now depends entirely on Almighty God. For far too long I prided myself on being fit and healthy, and that I was physically indestructible. I take great encouragement from the words of the Apostle Paul when the Lord told him; *‘My grace is sufficient for you, for My strength is made perfect in weakness.’* Then Paul wrote; *‘For when I am weak, then I am strong.’* 2 Corinthians 12:9-10.

“We are planning to have a very special family “thanksgiving” Second Passover, which will be the most meaningful Seder I have ever partaken of I have no doubt. It will be for me in a way a rededication and recommitment to the One who stood in my place in order to pay the penalty for all the sins I have ever committed.

“I have actually gained much encouragement myself by writing this account and sincerely

hope and pray that others will also be similarly encouraged when reading this.

“*‘The LORD bless you and keep you; the LORD make His face shine upon you, and be gracious to you; the LORD lift up His countenance upon you, and give you peace.’* Numbers 6:24-26.

“Sincerely and with love, Nick Wood.”

Coming Soon – the De-Christianization of America

“I was perusing Facebook today when I came upon an article from [NationalReview.com](http://www.nationalreview.com) entitled "How Sexual Revolutionaries Prepare the Battlespace for a De-Christianized America." <http://www.nationalreview.com/article/417670/american-jacobins-sexual-revolutionaries-prepare-battlespace-de-christianized-america>

“Taking the lead from another poster who actually quoted the Bible, I wrote this in the comments section on Facebook:

“The Bible, especially the OT, tells the sad history of people who accept God’s blessings, then eventually wander away from the path He set them on to be more like the people around them, and with tragic results. God would send them prophets, but even they would be ignored. What they couldn’t ignore was military defeat. THEN people would search out God, be forgiven, start to obey again, be rescued, honor God for a time, and eventually become complacent again. People who dismiss the Bible are willfully throwing away the history of people who already made all the same mistakes people still make!

“These problems could have been avoided if we’d learn from it. Nope, instead it’s all dismissed by “modern” people who read one or two things in it that they don’t like or understand. Take, for example, feminists, or ‘feminazis’ as one modern philosopher calls them. Feminists, like one I once knew personally (who actually burned her Bible in fire) blow a gasket when reading how wives should submit to their husbands, without reading or caring about the part where husbands have their duty, too. A greater duty, I might add:

“Ephesians 5: 22 ‘Wives, submit yourselves to your own husbands as you do to the Lord. 23 For the husband is the head of the wife as Christ is the head of the church, his body, of which he is the Savior. 24 Now as the church submits to Christ, so also wives should submit to their husbands in everything.’

“25 ‘Husbands, love your wives, just as Christ loved the church and gave himself up for her 26 to make her holy, cleansing[her by the washing with water through the word, 27 and to present her to himself as a radiant church, without stain or wrinkle or any other blemish, but holy and blameless. 28 In this same way, husbands ought to love their wives as their own bodies. He who loves his wife loves himself. 29 After all, no one ever hated their own body, but they feed and care for their body, just as Christ does the church— 30 for we are members of his body. 31 For this reason a man will leave his father and mother and be united to his wife, and the two will become one flesh. 32 This is a profound mystery—but I am talking about Christ and the church. 33 However, each one of you also must love his wife as he loves himself, and the wife must respect her husband.’

“WOW! Marriage is a sacred institution, but you'd never know it the way ‘modern’ people approach it. I've often said a lot of people treat dating like marriage and marriage like dating! (All jealous and clingy and devoted when they date, all lax and cranky and ‘I do what I want!’ in marriage.) Some couples even have ‘open’ marriages, where each can date and sleep with other people, or they look around for threesomes and ‘moresomes’. The Christian definition of marriage, straight from the Bible, is one that reflects God's own relationship with his Church, His people who, in theory, have been called out of this evil, deceived world. It's not just a moral license to have sex or be privy to someone's medical history or share in someone's government benefits. Government didn't create marriage. GOD did! The REAL God! Not the made-up gods that Muslims and other pagans (YES, I SAID IT!) created out of their own imaginations, but the God of Abraham, Isaac, and Jacob!”

-- Jim Connell , Pennsylvania

The Shemitah Prophecy Revisited

“From the recent Bible study of the 25 April 2015 I feel that what has been on my mind for a number of months now I would like to share. This may sound like going off on a tangent or going away from the branch and relying on a twig of evidence to fall over on.

“In view of the recent developments with the Temple Institute in Israel having their ‘Priestly Training Academy’ established and holding a Passover offering practice drill. This being the most accurate and authentic re-enactment of this service to have taken place in nearly 2000 years. This was done on March 25 2015 and also the finishing of a stone altar in December 2014. This can be viewed on their web site and would strongly recommend checking this out because I believe these are the instruments to be used by Almighty God to help re-build the temple and help implement the end time Messianic prophecies. As mentioned on a previous communication the Temple Institute is now 28 years old and they are rearing to go with their goal and objective of rebuilding the temple in Jerusalem.

“I would first like to pose a conundrum and propose a possible solution.

“I have been most impressed and inspired by the Rabbi Ben Judah Samuel Prophecy stating that 2017 would be the beginning of the Messianic End Times but have a time gap of two years with the Jonathan Cahn book on the Shemitah of 2015.

“As stated by Rabbi Judah Ben Samuel before his death in 1217 that the Ottoman Turks would rule over Jerusalem for eight Jubilees being 400 years. This commenced 300 years after the Rabbis death in 1517 and according to the prophecy the Ottoman Turks lost Jerusalem in 1917 to the British.

“Then in the ninth Jubilee Jerusalem was to be a ‘no man’s land’, which was from 1917 to 1967 until the Six Day War.

“The prophecy stated that in the tenth Jubilee Jerusalem would be controlled by the Jews (Israel) and then the Messianic End Times would begin in the year 2017.

“The year 2015 could also be the trigger point for the commencement of the time of Jacob’s Trouble (Jeremiah 30:7) and I have to state quite emphatically that the prime nation for helping to bring this on is Ephraim the USA in its rapid departure away from the God of Abraham, Isaac and Jacob (Hosea 4:6-10). In Hosea 9:8 the watchman of Ephraim is with my God ! Could one of these watchmen be Jonathan Cahn especially with the two books he has written on The Harbinger and The Shemitah!

“There also being a warning going out from Ephraim via the work of Triumph Prophetic Ministries as well as other church of God groups who are crying aloud and giving a witness of what lies ahead for the chief nation of Israel – Ephraim – The United States of America.

“We have a two year time gap between the Shemitah of 2015 and 2017 for the commencement of the Messianic End Times of Rabbi Judah Ben Samuel.

“Could the time gap be given an explanation and possible solution for which year the 7 year agreement of Daniel 9:27 commences?

“By going back to the time of Joseph in Egypt in Genesis 41:25-30 there were to be seven years or one shemitah of plenty and then seven years or one shemitah of famine. Could there be a parallel that occurred in Genesis 45:6 when the famine had been in the land two years and there were still 5 more years to go because the severity of the famine had not fully impacted. Could we enter the final seven years from the new shemitah starting point of Tishri 1 this year being in the Jewish calendar 13 September? This being the springboard point of the final seven years of Daniel 9:27. We know that 2017 will be a Jubilee year as were 1917 and 1967. From counting 2520 days from the 13 September 2015 we come to 7 August 2022 which in fact is Tisha B’av and falls on a Sunday.

“For this to come about there would have to be an agreement with Israel to allow them to build a Temple to God to especially sacrifice the

Passover and re-institute the sacrificial system as indicated by Daniel 8:13-14.

“In the Blood Red Moons book by Mark Biltz he states on page 167 of his book that when the Levy Shoemaker comet occurred in 1994 there were 21 fragments that collided with Jupiter and he states on his DVD that this could be representative of 21 more years of warning and of judgment to come that could bring about a fatal economic collapse in the USA this being to Ephraim the chief nation of the world. This happened during the weekend of the ninth of Av. This being from the Shemitah year 1994 to the Shemitah year 2015! Could there also be a duality with the nation of the USA and the church of God being given a witness and warning of impending disaster, judgment and punishment on the horizon as indicated with the four Shemitah periods from 1987 to 2015 as given in Leviticus 26:18, 21, 24 and 28.

“I have been most impressed and excited by the recent book by Jonathan Cahn on the Mystery of the Shemitah for the fascinating historical insights provided and on page 161 he states that the year 1870 marked the USA emerging as the strongest economic power on the earth and also being pre-eminent with regards to having the tallest buildings in the world.

“I have puzzled over the scripture in John 21:11 when 153 fish were caught by the disciples after the resurrected Jesus Christ told them to cast the net on the right side of the boat and caught that number of fish which obviously counted out individually. Why cast on the right side of the boat?

“Please now go to Genesis 48:17-19 where Jacob was inspired by Almighty God to bless Ephraim and Manasseh the two sons of Joseph. Jacob under the guidance and inspiration of God placed his right hand on the head of Ephraim’s head to give him the blessing of the first born. This particular blessing came in 1870 when the USA was the undisputed biggest and most powerful economy in the world and they had shrugged off the shoulders of the previous world economy in brother forgetful Manasseh being Great Britain who is blind to their identity.

“Could it possibly be that God has had his watchful and caring eye over Ephraim from the time of their supreme and truly wonderful

appearance on the world scene as the Top Nation from 1870 through to 2023 when in all likelihood the kingdom of God will be on this earth and we will have gone through Jacob's Trouble and that would come to 153 years?

"There will be the first half of Jacob's trouble of which I believe the work of TPM will be primarily witnessing to church of God groups with greater impact.

"Can the next four and one half months bring this scenario to reality or will it all kick off in 2017 for the final seven years that will be two years into a Shemitah.

"These are truly exciting and sobering times that we are going through and things are happening at break neck speed. We are all challenged to keep abreast of what is happening before the fifth kingdom comes to planet earth Daniel 2:44."

-- Nick Pull, England

"Some time ago, I came upon a book (available for free in .PDF format here: <https://hayaryakanch.files.wordpress.com/2013/06/the-pink-swastika.pdf>) called "The Pink Swastika". It was written, at least in part, in response to claims by the homosexual community that the Nazis had attempted to rid Europe of homosexuals along with the Jews.

"Some of the history this book uncovers is already pretty well known, such as the fact that Ernst Roehm, head of the Brown Shirt (Stormtrooper) movement, was homosexual. Where the book gets shocking is the fact that Roehm and his immediate circle were not the only ones, nor did they suddenly spring from a vacuum. Indeed, there had been a growing homosexual movement within Germany since the late 19th and early 20th centuries that had split into two factions which the Bible itself, in I Cor.6:9, labeled as 'effeminate' (self-explanatory) and 'abusers of themselves with mankind'. This second category may be understood to be 'butch' homosexuals, and this was the type with which Roehm, a tough soldier in the First World War, identified. Indeed, his ideal, which was shared by many, was of a fighting force in the Greek Spartan mold in the belief that lovers make the best warriors. (The 'Butcher Boys' could not stand the effeminate, which is why the effeminate were the ones targeted for extermination.)

"A number of years ago, I remember seeing two strange incidents in the news: A politician (whose name I cannot remember) who, in a street interview, blurted out his support of Spartanism in the US military, and a report of a man being arrested for entering a public ladies' bathroom while claiming to be a woman himself. Apart from what appeared to be a tight-fitting woman's blouse, he made no effort to actually appear female, the way a transvestite or someone who has or is about to undergo a sex-change would dress. Today, under Obama, open homosexuals serve in our fighting forces, and "self-identification" as a member of the opposite sex is gaining acceptance.

"Your recent Bible study on homosexuality in Islam takes on a new dimension when you realize that the Nazis were allied with Muslims, and, as the book contends, for similar reasons: they hated the Jews, and not because of their supposedly "inferior" race or the "worldwide Jewish bankers" conspiracy theories, but because the Jews had been entrusted with the Torah -- God's Law -- which specifically and repeatedly forbade homosexuality and other forms of sexual perversion. Instead, it preached the nuclear, heterosexual family and the duties each member had to each other and to God, and these teachings carried through to Christianity. Such a thing was anathema to both Islamists and Nazis, who lusted for both the blood and the flesh of young boys (and girls) and felt righteous in both. (I might add that the Bible is also very anti-militarist, with God preferring that His people rely solely upon Him to fight their battles, or, at the very least, to limit the size of Israel's army so that it ought to be apparent to all involved that He brings them victory.)

"About a thousand years passed from the creation of Adam to the flood of Noah. A thousand years of people working together as well as fighting each other. It would not surprise me one bit to find out someday that, instead of having surpassed their ancient technology long ago, we have only just now caught up with it. Whether we have or not, we have certainly caught up with the level of perversion they had reached."

-- Jim Connell, Pennsylvania

"I would very much appreciate it if you could steer me in the right direction of choosing who I might join for services. Scripture tells us to convocate on the High Holy Days with folks who believe such as ourselves. I'm really not

interested in attending service(s) at a Synagogue. What might you suggest I consider doing? I was born into a Catholic family and dis-engaged from that faith community in 2000. I've been taking my direction from the Bible all this while and feel like it's way past time for me to affiliate with a community of believers. I will look forward to hearing from you.

-- Michigan

COMMENT: Of course, we should fellowship as much as possible with people of "like minds" who are in agreement with God's Word. Visiting various other churches can be dangerous, detrimental, and destructive to faith, faithfulness, and true zeal for God and His Word. It might be all right to visit other groups if you can find one which is compatible, or a Messianic group. However, the pickings are probably very limited and may be counter-productive because of doctrinal differences, which boils down to disobedience and false teachings which are so prevalent today..

Indeed, God says to His people, "And let us consider one another in order to stir up love and good works, not forsaking the assembling of ourselves together, as is the manner of some, but exhorting one another, and so much the more as you see the Day approaching" (Heb.10:24-25, NKJV).

There are so few really truly converted people on the earth, today, fellowship for many of God's people is very difficult. There may be a church or Messianic group in your area which you hope will give you an opportunity for some fellowship, but most often you will discover sooner or later that they have deep errors and misunderstanding of many Scriptures and do not fully obey God's law and commandments. Such fellowship can often become a spiritual drag, a real downer, and even very misleading. This would apply to virtually all of the groups which came out of the Worldwide Church of God as well, as well as various Messianic groups, which are all divided up and in confusion about many essential doctrines and truths.

What can a person do in such a situation? First of all, we must get our priorities straight. The apostle John declared, "truly our fellowship is with the Father and with His Son Jesus Christ" (I John 1:3). That is our primary fellowship – time

we spend with the Father and the Son in prayer, meditation, and Bible study. Jesus Christ declared, "But seek first the kingdom of God and His righteousness, and all these things will be added to you. Therefore do not worry about tomorrow, for tomorrow will worry about its own things. Sufficient for the day is its own troubles" (Matt.6:33-34).

It is wonderful to be able to have human spiritual fellowship with people of like minds. But because of circumstances, false teachers and false prophets, one must be very careful with whom they choose to fellowship (Matt.7:15-20). Solomon wrote, "He who walks with wise men will be wise; but the companion of fools will be destroyed" (Prov.13:20).

If there is nobody in your area that you have found who follows the teachings of this ministry, to fellowship with, you can take advantage of our special Sabbath fellowship by joining our Bible Study conference telephone hook-up. We do have a Bible-study telephone hook-up every Sabbath for those who want to join us for a weekly Bible study, for the price of a long-distance telephone call. It is at 11:00 AM each Sabbath, west coast time. All you need to do is dial 1-916-233-0500. When you hear a prompt, dial 2415 and then punch the # sign on your phone. We begin with spiritual songs and hymns, and then a 90 minute Bible Study, and often have a short discussion afterwards. Details are available on our website, triumphpro.com, and in the Prophecy Flash magazine.

You can also join our service on-line by going to www.triumphpro.info and clicking on the LIVE STREAMINGS icon, or to the WINDOWS MEDIA PLAYER button or the FLASH MEDIA icon at the bottom on page 1, which will give you the LIVE AUDIO presentation.

I hope this helps you. I urge you to pray about the situation and seek God's guidance and wisdom, so you don't make a mistake or become weakened by the wrong kind of fellowship, by "false brethren so-called." You could also begin to correspond with different people in the church who join us on the hook-up, by letter, mail, or e-mail.

* * *

“As each day dawns it seems everything worldwide is in some kind of turmoil. I know for my own self, this year of 2015 has been the worst one I’ve been in or experienced in a long time – but thanks be to our loving God and Savior He’s always near to help us bear our trials and heartaches.

“Your magazine and tapes inspire me to watch and pray and read my Bible several times a day.

“The good Lord, for some reason, has allowed Obama to take over and rule as if he is some god himself. I don’t understand, but there’s a reason for every thing that happens. I pray daily for Christ’s return. My love and prayers are always present for you and your work in spreading His gospel.”

-- Tennessee

“After 47 years of being lawless and without God I finally answered God’s knocking and accepted Jesus on 6/20/14. Since then I study my Bible heavily daily. The first thing I noticed was the discrepancy between what ‘traditional’ Christianity taught and what God says in the Bible. The fact that nowhere in the Bible did God ever take away the Sabbath on the 7th day and that the disciples (and seems like also the Gentiles after conversion to Christianity) OBSERVED ALL THE Feasts that God commanded as memorials ‘forever.’ Even Paul wrote in Col.2:16 not to let others judge you in respect of a holy day, new moon, or the Sabbath days (he was writing to Gentile Christians and they were apparently being persecuted for keeping the Feasts God commanded). I just knew in my heart that God cannot lie and His Word is true. I have since then prayed daily for God to open my eyes to His truth and lead me to His true church. And amazingly (at least it is to me) He listens and provides. . . A brother sent me a copy of your magazine ‘Prophecy Flash’ and I can see that you do seem to be very on point with God’s truth. My whole desire in life now is to learn all I can of God’s truth, live it the best I can and tell others of the truth God has revealed to me. I am very interested in your publications . . .”

-- Florida

“We both understand and know for sure that God’s Word would not return to Him void. The Word preached and taught from your lips will and must come to pass. Just saw on the news

about the bombing in Texas and the arms deal with Iran. Boy, we have crossed the line with our God and turned our backs to Him, and Israel. Shame on America. When will America wake up and see how she has fallen asleep, the false natural church has dropped its armor and laid down the Word and joined forces with the enemy and his dons, even the children are trying to join ISIS because of social media and express hatred from the land that birthed them, wanting to catch a flight to join and train with them. Training is being done right under our noses, the police department has lost all control and the race card is being pulled. The Bible is true, every word, Yeshua held nothing back about the end-time rebellious generation. The courts have sold us out for bribes. How sad. The church no longer desires the truth to be preached. I was disfellowshipped because of the true gospel and teaching of standing upon every word of God. . .

“My brother, continue to stand at your post of duty, sound the trumpet, loud and clear. Yeshua is soon to come. Our lamps must be filled with oil (the Word and Holy Spirit). We must contend for the faith. I must get back to the battlefield.”

-- South Carolina

“I am a follower of Yeshua Ha Mashiach. I’m in a redemptive covenant with Him and He has restored every area of me and my family’s life. I’m a student of the Hebraic Roots of YHVH and I was introduced to your teachings a couple weeks ago. I studied a little bit of Herbert Armstrong’s work, but the Ruach Ha Kodesh stopped me from going any further into Mr. Armstrong’s work. Praise YHVH, so I prayed and asked the Father to send me some NEW insight that reflected truth, and what do you know, YOUR teachings end up in my hands. . . . YHVH has turned my life around in a way that can only be by His power. . . .”

-- Texas

“I wish to thank you from the bottom of my heart for all that you do to bring so much Truth to people like me – I have so much love for you and I’m not fully able to express my gratitude with words. Your study materials are the very best. Thank you for your many sacrifices that you must make to get this much needed Truth to us here on the inside prison. The Scriptures and the work you do have changed my life, your studies have been key to open the Word of Truth to my

Triumph Prophetic Ministries
PO Box 842
Omak WA 98841

mind – it is more important than ever to seek words of Truth and wisdom to prepare and guide us for the trials we have yet to face. Please keep up the good work!”

-- Pennsylvania

“Once again you are way out in front of everybody when it comes to Bible prophecy. I really enjoyed the March-April 2015 edition, especially ‘Obama’s Bid for UN Secretary-General Has Begun.’ It’s really a bad feeling knowing our Muslim president Mr. Obama is going into the United Nations carrying all of America’s secrets, military, and others with him. It’s going to be interesting to see what is around the next turn.

“The Flurry crowd is all looking in the wrong direction trying to make the European Union and their actions line up with what they think is prophecy. Your article on Obama’s bid opened my eyes and made it all make sense. Wow!

“Thanks for all you do. All of you books are awesome! Keep looking up, He’s coming soon.”

-- Texas

“Greetings once again from your brother in Christ. I want to thank you for the latest issue of Prophecy Flash. It’s the only way that I can be informed of what is really going on with world events, specifically with our own government and so-called leaders of nations. Well, the battle for conversion of false doctrine to the only true doctrine of Christendom has been a real eye opener for me, especially in the environment that I’m in. It seems that the Islamic doctrine of the Muslim Shiites and Sunnis is spreading like a plague here. Most often I see that it’s easier for the ignorant to follow a doctrine that puts less so-called ‘judgment’ on a person as an individual, even though had they been anointed by the Holy Spirit to have the blinding veil lifted off their eyes by spending more time actually

studying the ‘one’ true word of God, they would realize that ‘our’ doctrine is less taxing on the believer of Christ Jesus than their so-called Mohammed! Well, I won’t stop the battle of the lost souls until Yeshua comes and takes me home! I pray in hopes that it’s sooner rather than later. As for now, I will keep on learning more from your ministries as well as listening to what God has for me through prayer and study. Thanks, Triumph! Keep the Word coming!”

-- Texas

“Thanks for sending me a copy of *America and Bret Britain in Heraldry and Prophecy*. This is a most superb piece of literature and in helping to open my eyes to a lot of needed information. I have to recommend all of your readers pick up a copy as soon as they can.

“Please keep up all the good work that you do! I am always praying for you and the Ministry and hope the Heavenly Father continues to bless you and pour out His favor upon you. Also keep sending us these wonderful articles of the Prophecy Flash, they help a lot with understanding and encouragement. Thank you in advance for all the hard work, your time and consideration, and for doing what the Heavenly Father has guided you to do!”

-- Michigan

“I am convinced that we are in the very last of the Last Days, so I am really into Prophecy. Your studies help in such a huge way. Many, many ‘Christians’ think such things as Nephilim, Planet X, Illuminati, New World Order, Aliens, UFOs, etc., etc., to be nonsense, but I have prayed and studied for over 50 years, and there is so many pieces of the puzzle fitting together, and your studies confirm much of it.

“Thank you for it and God bless.”

-- Texas
